What is California Colleges?

CALIFORNIA
COLLEGES .edu
DISCOVER. PLAN. LAUNCH.

All SMJUHSD students have a California Colleges account and can explore different interests, careers, majors, and colleges. SIGN IN with your PVHS login to access these tools and begin planning for the future.

California Colleges SMJUHSD Roadmap

9th Grade

EXPLORING MY INTERESTS, SKILLS ASSESSMENT & CAREER MATCHING

PART 1

- Hover on **Career** at the top of the page and then click on **Interest Profiler**

- Take the **Skills Assessment**

PART 2

- Explore your **Interest Profiler** results by clicking on the career titles
- When you find a career you like ❤️ the career.
- ❤️ all the Careers that interest you!
- Clicking on the ❤️ will save this career to your **My Plan**
- ❤️ at least 5 careers

PART 3

- Save a pdf of your **Interest Profiler** Summary Report
- Share your results with your friends and family.

10th Grade

EXPLORING LIFE & CAREERS GOALS, COLLEGES & MAJORS

PART 1

- Hover on **Career** at the top of the page and then click on **Intelligences**
- Take the **Intelligences** Assessment

PART 2

- Read your results in the **Intelligences and You** section
- Scroll down to **Career and Pathways** section
- Click on the Careers that interest you
- Clicking on the ❤️ at the top of the page will save it to your **My Plan**
- ❤️ at least 5 careers

PART 3

- Save a pdf of your **Intelligences** Summary Report
- Share your results with your friends and family.

11th Grade

BUILDING MY COLLEGE LIST & FINANCIAL AID

- Click on the **College** tab
- Read “Building your college list”
- College Search Tool~ use filters to narrow your list
- Save at least 5 schools to your college list. Put a heart ❤️ next to the schools you want to save.

CHOOSING A MAJOR

Start by asking yourself a few simple questions...

- What are your favorite classes in high school? What do you like about them?
- What comes easily to you?
- What do you love to do, inside and outside of class? What hobbies or activities do you look forward to most?

Put a ❤️ next to them to save them to your **College Plan**

12th Grade

SENIOR APPLICATIONS PREPARING TO LAUNCH

Begin by clicking on the **College** tab Then click on **College Application Checklist**

Checklist

- Your College List ❤️
- CA State ID#
- Financial Aid
- Scholarships
- Essays
- Letters of Recommendation
 - The BRAG Sheet
- Tracking your Applications

College APPLICATION INFO

What's your plan?

Post Secondary Options:

- CCC
- CSU
- UC
- Private/Out of State
- Military
- Trades

California Colleges Login

1. Go to PV Website: www.pvhspanther.org
2. Click on **College & Career**
3. Under **Career Information**, Click on **California Colleges (CCGI)**
4. Click on **Pioneer Valley High School Login**

The image shows a sequence of three screenshots from the Pioneer Valley High School website. The first screenshot shows the main navigation menu with 'College & Career' highlighted. The second screenshot shows the 'CAREER INFORMATION' section with 'California Colleges (CCGI)' highlighted. The third screenshot shows the 'PIONEER VALLEY HIGH SCHOOL LOGIN' page.

Returning Student

Step 1
Sign-in using your student email address & network password

The image shows two parts of the website. On the left is the homepage with a yellow background, featuring the text "CaliforniaColleges.edu" and "Your free, all-access pass to a bright future." Below this is a sign-in page with a dark blue background. It has a "Sign In" title, two input fields for "Email Address/Username" and "Password", a blue "Sign In" button, a "Forgot Password?" link, and a "Sign in with Google" button.

Step 2
Click on Sign in. You might be prompted with the message below. Click Yes.

The image shows a white dialog box with a yellow border. The text inside reads: "Single sign-on using your school account". Below this is a question: "Your school uses single sign-on or Clever. Do you want to log in with your school account?". At the bottom are two buttons: a grey "No" button and a blue "Yes" button.

Step 3
Ready to get started

The image shows a user dashboard with a light blue background. At the top right, it says "10th grade". Below that is a "Welcome, Your Name!" message with a small rocket icon. Underneath is the text "Learn about colleges, careers, and financial aid" and a blue "Get Started" button.

Career Search Tool

STEP 1-

Hover over Career Tab and Scroll down to where it states **CAREER SEARCH TOOL**.

The screenshot shows the top navigation bar with 'My Plan', 'College', 'Career', and 'Financial Aid'. The 'Career' tab is circled in red. A dropdown menu is open, listing various options. 'Career Search Tool' is circled in red. Below the menu, there are sections for 'Skill' and 'AchieveWorks Skills' with a progress bar.

STEP 2-

In **Search by Keywords**, type the name of your career choice, then click **SEARCH**.

The screenshot shows the 'Career Search Tool' section. Below the introductory text, there are two search options. The 'Search By Keywords' field and its 'Search' button are circled in red. Other options include 'Select Industry' and 'Select Bright Outlook Occupation', each with a 'Search' button. Below the search fields, there is a 'Results' section with a 'Compare' button and a table with columns for 'Compare', 'Career', 'Education Level', 'Salary', 'Bright Outlook', and 'Favorites'.

Academic Knowledge

- Engineering and Technology**
- Knowledge of the practical application of engineering science and technology. This includes applying principles, techniques, procedures, and equipment to the design and production of various goods and services.
- Computers and Electronics**
- Knowledge of circuit boards, processors, chips, electronic equipment, and computer hardware and software, including applications and programming.
- Design**
- Knowledge of design techniques, tools, and principles involved in production of precision technical plans, blueprints, drawings, and models.
- English Language**
- Knowledge of the structure and content of the English language including the meaning and spelling of words, rules of composition, and grammar.
- Mathematics**
- Knowledge of arithmetic, algebra, geometry, calculus, statistics, and their applications.

Skills

- Active Learning**
- Understanding the implications of new information for both current and future problem-solving and decision-making.
- Active Listening**
- Giving full attention to what other people are saying, taking time to understand the points being made, asking questions as appropriate, and not interrupting at inappropriate times.

Interests

- Investigative**
- Work involves studying and researching non-living objects, living organisms, disease or other forms of impairment, or human behavior. Investigative occupations are often associated with physical, life, medical, or social sciences, and can be found in the fields of humanities, mathematics/statistics, information technology, or health care service.
- Conventional**

Work Activities Analyzing Data or Information

- Identifying the underlying principles, reasons, or facts of information by breaking down information or data into separate parts.
