2024-25 General Appropriations Act

PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

25A061 | Computer Science Teacher Bonus

The applicant will use grant funds in accordance with the requirements of this RFA. The purpose of the Computer Science Teacher Bonus project is to provide funding to districts for qualifying computer science teachers who teach an identified computer science course in the 2024-25 school year. Eligibility requirements are outlined in section 1007.2616, Florida Statutes.

I certify that in accordance with the requirements of this funding, the LEA will:

1. Comply with all reporting requirements and submit required reports to the Florida Department of Education at such time and in such manner and containing such information as the department may subsequently require.
2. Cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of (i) the Florida Department of Education, the Florida Auditor General; (ii) the Department and/or its Inspector General; or (iii) any other federal or state agency, commission, or department in the lawful exercise of its jurisdiction and authority.
3. Report, at the end of the grant period, the number of eligible teachers who have received either the \$1,000 or \$500 bonus, provide documentation that supports teacher eligibility including certification status and courses taught, and provide documentation that confirms the number of years an eligible teacher has previously received either bonus.
4. Identify the number of teachers eligible to receive either the \$1,000 or \$500 bonus from each charter school in the district, collect charter school assurances from charter schools accepting funds and include that documentation as part of the district grant application, and make charter school closeout documentation available to the Florida Department of Education.
