

January 5, 2026

Dear Owosso Staff, Students and Parents

Owosso Food Service Department is excited to announce the start of the NEW YEAR. We have a NEW and exciting menu program.

The logo for HPS Menu Planner features the text "HPS" in a bold, blue, sans-serif font, followed by "Menu Planner" in a blue, cursive script font. A blue swoosh underline is positioned above the "HPS" text.

**Menu Planner is a simple to use application designed to allow schools to build recipes and cycle menus while managing production records and ensuring all Federal nutrition guidelines are met.**

**Menu Planner assists districts in the planning, publishing, managing and reporting of meal plans in an extremely simple and intuitive application.**

Parents and students will now be able to:

- View menus by the day, week, or month.
- Track nutritional values of individual foods.
- Track allergen information by item or even searching for a month to determine which foods should be avoided.

Please contact me with any questions or feedback. We appreciate all comments.

Sincerely,  
Carrie Hall  
Food Service Director  
Owosso Public Schools
