[Franklin Graham takes on the Pope](#)

The popular evangelist is responding to the decision by pontiff to allow priests to bless gay civil unions. Writing on Facebook Graham says “None of us, including the Pope, has the right to “bless” what God calls sin. So-called “blessings” from religious leaders won’t save you from the judgment of God!”

[America rose up against woke capitalism in 2023](#)

It all started with Bud Light. When the brand decided to partner with transgender influencer Dylan Mulvaney a lot of people said “enough”.

A grassroots boycott of the beer quickly gained momentum, tanking Annheisuer-Busch’s profits, ending Bud Lights reign as America’s most popular beer and costing three corporate executives their jobs. Target, Nike, Maybelline and other firms that have embraced transgenderism paid the price in 2023.

2024 will be Successful Because..

This year will be successful because I choose to live for Jesus Christ.

I recognize that life is more than me.

God is my Creator. He is my Savior, Redeemer, King, and Lord.

Because my success is determined by how I live and the choices I make, I choose:

- To follow His leadership in all aspects of my life - personal, family, work, church and community.
- Each day to die to self and its desires so I can live for Him completely and with unbridled passion.
- To think on things that are noble, true and right.
- For my speech to be wholesome and reflect God's character.
- For my actions to be worthy of praise.
- To have the attitude of Christ in everything I do.

It is my prayer others will see Christ in me. I cannot control my past but I can learn from it and make decisions today that will determine my future. I recognize success is not simply found in accomplishments, but living every day for Jesus Christ so on that final day He will say to me, "Well done, good and faithful servant."

Highlights from Letters to Power

- I just started listening to ya'll a few months ago and I really enjoy Christian music. I've always listened to hard rock and not so Christian music, but, I'm at a point in my life where I want to be & feel closer to the Lord. I was taken by a song called "Beautiful, Beautiful" by Francesca and "Jesus Saves" by Jeremy Camp. I'm so glad ya'll stream up in Citronelle, AL. This music helps me thru the day. Thank you.
- Thank you for bringing joy to my mornings. My radio stays only on Power 88 and when I have my children and grandchildren riding with me and we are singing His praises, it's awesome. When I'm having a bad day, all I have to do is listen to Power 88 and drive down the road praying and singing. Some times people look at me, like what is this woman doing. This last 2 years have been so stressful; life hit our family like many others, losing jobs after 30 yrs of work. God is the only one who has kept us going. Praise God!! Keep up the good work.
