Dear Parent/Guardian,

Parents, students, and staff jointly developed this Title I Parent-School Compact to outline how our school community shares responsibility for student achievement and high academic standards. Parents are encouraged to help shape our programs and policies each year by completing the annual Title I parent survey and attending spring revision meetings to share feedback based on student needs.

To drive success for the 2026–2027 school year, Sumter County Schools and Sumter County High School have set aligned academic goals. Our shared focus is to increase the percentage of students scoring at the Developing Learner level district-wide and at the Proficient Learner level at the high school by 3% across all core and elective classes, as measured by Georgia Milestones and local assessments.

To help your child meet the district and school goals, the school, you, and your child will work together to:

| <b><u>SCHOOL RESPONSIBILITY</u></b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | <b><u>PARENT RESPONSIBILITY</u></b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | <b><u>STUDENT RESPONSIBILITY</u></b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
