

Clark School District 2025-2026 Food Service Program

The Clark School District uses a computerized, **PRE-PAID** food service program. All school breakfast and lunches must be paid for in advance.

You may pay at the Elementary or High School office.

Students are not allowed to charge meals.

The cost of school meals is very inexpensive compared to meals in the private sector. For any family with low income needing assistance with school meals, please complete an application for free or reduced meals. Please return the application to either school office as soon as possible so that your children receive a nutritious meal each day. We highly encourage you to apply for this benefit as it helps our school district with funding.

Parents: please check Infinite Campus for Student's meal account balance. Log on to www.clark@k12.sd.us, go to Parent Portal, and enter your same username and password that you use to check grades.
