LA GLORIA INDEPENDENT SCHOOL DISTRICT
"La Gloria School Makes Learning Fun"

ELEMENTARY (EC-6) AND SPECIAL EDUCATION TEACHER POOL (25-26)

La Gloria ISD has anticipated openings for EC-6 and special education teaching positions. LGISD is a Title 1 school with grades PK-6. Recent teacher salary increases at LGISD make us the highest paying district within a 45 minute commute from our campus. The district also contributes the full medical TRS basic premium for all employees, and pays into both TRS and social security. Please visit the district website for the application and other employment information.
