God called Dr. **Michael Youssef**, even before birth, and is using [“Leading The Way”](#) today to reach millions of lost souls, to equip the saints, and to build up the Church of Jesus Christ worldwide. He founded The Church of The Apostles in 1987 with fewer than 40 adults with the mission to “Equip the Saints and Seek the Lost.” The church has since grown to a congregation of over 3000. This church on a hill was the launching pad for Leading the Way’s international ministry. While heard by millions at home and abroad, behind every message preached over the airwaves is a pastor’s heart, longing to feed and care for people. Clearly, God has uniquely equipped Dr. Youssef to speak to a worldwide audience. The path he has walked has given him a thorough cross-cultural understanding and a firm grasp of Scripture. He preaches, teaches and exhorts with a straightforward and uncompromising delivery, based on the authority of the inspired, infallible Word of God. His unique, firsthand understanding of the Holy Land, its history and culture, brings the Bible to life for listeners.
