THE SLATER SCHOOL SONG **"YOU'RE A GRAND OLE SCHOOL"**

You're a grand old school.
You're a high ranking school.
You're the best in the west
We all say, "SLATER"
Where the kids are smart,
They do their part.
We're loyal to you every day.

Let your voice sing bright
For our own red and white.
You're the best school we'll ever see.
But should auld acquaintance be forgot,
SLATER BULLDOGS, WE'LL ALWAYS
BE!!

What You Can Do to Help Your Child Learn:

- A. Start each day right; a calm beginning at home makes the school day much better.
- B. Encourage your child to have a good breakfast and lunch.
- C. Make sure your child sleeps at least eight hours each night.
- D. Praise your child each day for something he/she has done.
- E. Have a special place to put schoolwork or whatever is brought home.
- F. Laugh and talk with your child about school experiences and listen attentively to what is said about their school day experiences.
- G. Stress attendance. If your child is ill, home is the best place; otherwise your child needs to take advantage of every school day.
- H. Keep the lines of communication open between yourself and your child's teacher. Inform the teacher of any family situation, which could influence your child's behavior. Also, if he/she is reluctant to go to school let the teacher know so that together we can find the reason.
- I. Take your child to the library and encourage reading for pleasure.
- J. Stress organization of school notebook, materials, etc.
- K. Make sure your child has the necessary supplies (pencils, paper, glue etc.)
- L. Work at home on the skills taught at school.

PREFACE

The material covered within this student handbook is intended as a method of communicating to students and parents regarding general district information, rules and procedures and is not intended to either enlarge or diminish any Board policy, administrative regulation or collective bargaining agreement. Material contained herein may therefore be superseded by such Board policy, administrative regulation or collective bargaining agreement. Any information contained in this student handbook is subject to unilateral revision or elimination from time to time without notice.

ASSEMBLIES

A student's conduct in assemblies must meet the same standard as in the classroom. A student who does not abide by the district's Student Code of Conduct during an assembly shall be subject to disciplinary action.

ASSIGNMENT OF STUDENTS TO CLASSES

Students are assigned to classes based on the individual needs of the student, staffing and scheduling considerations. Parent requests to place a student in a particular class may be submitted to the principal prior to **April 15** of the school year in question. Requests to change a student's assigned class at other times must be directed to the principal. Final decisions are the responsibility of the principal.

ATTENDANCE

Absence and Excuses

When returning to school after an absence (or prior to a planned absence), a student must bring a note signed by the parent that describes the reason for the absence. Parents may also contact the school to notify of an absence. Absence from school or class will be excused under the following circumstances:

1. Illness;
2. Emergency situations that require the student's absence;
3. Medical or dental appointments. Confirmation of appointments may be required.

***An unexcused absence will prompt an automated call to the parent at 8:30am the morning of the absence. Please contact the OFFICE at 541-573-7201 to notify of an absence in advance or prior to 8:30am.**

A student who must leave school during the day must bring a note/phone call from his/her parent. A student who becomes ill during the school day should, with the teacher's permission, report to the office. The teacher decides whether or not the student should be sent home and the office will notify the student's parent, as appropriate.

A student who has been absent for any reason is encouraged to make up specific assignments missed and/or to complete additional in-depth study assigned by the teacher to meet subject or course requirements. Parents should contact the office to arrange for the collection of homework assignments for a student who will be absent several days. Failure to make up assigned work within a reasonable amount of time as allowed by the teacher will result in a grade of zero for the assignment. The teacher will need at least a day's notice to get make-up work ready.

When parents or legal guardians are aware in advance that their child will be absent from school, they should notify the school in writing or by phone at least 24 hours prior to the absence and make arrangements for the student to obtain homework assignments.

Absenteeism will not be used as a sole criterion for the reduction of grades.

Tardies

Unexcused tardies will result in notification of the parent or legal guardian with a possible conference recommended. Students arriving to class after 8:00 am are tardy.

Truancy

A student who is absent from school or from any class without permission will be considered truant and will be subject to disciplinary action including detention, suspension,

expulsion, ineligibility to participate in athletics or other activities and/or loss of driving privileges.

A student shall be considered to have withdrawn from school if the student has more than 10 consecutive days of unexcused absence. Failure to send a student to school is a Class C violation.

AVID

AVID stands for **Advancement Via Individual Determination**. AVID is a framework of teaching that gives students the tools, skills, and agency that will give them greater opportunities for success in higher education, career, and life. AVID prepares all students for career and college readiness! HCSD#3 is an AVID District!

What skills do students learn at Slater through AVID?

- How to organize their academic life and work, so that they are effective and efficient.
- How to work with others in a way that empowers everyone in the learning process.
- How to ask questions that fully engage their own learning and understanding.
- How to improve their reading and writing skills so they get the most out of their learning experience, for a lifetime.

BAGS, BACKPACKS, FANNY PACKS, PURSES

All personal bags must be left in the classroom and not carried around on campus, unless otherwise stated in the student's individual plan.

BEHAVIOR EXPECTATIONS:

Pages 18-19

BIRTHDAY / SPECIAL EVENT / PARTY TREATS OR FOOD ITEMS:

In order to help us maintain a safe environment for all children at Slater, please ensure that any treats, snacks, or food provided to a class of students to celebrate birthdays, special events, holidays, or parties be store-bought and in the package it was purchased in with the nutrition label intact. Homemade items like cupcakes, cookies, etc cannot be accepted. Please contact your child's teacher for more information or clarification.

COMMUNICABLE DISEASES

Henry L Slater will follow all district, local and state guidelines in regards to any communicable disease concerns and protocols. At no time at Henry L Slater will we tolerate blatant disregard to the rules set forth by these agencies. Any blatant disregard to the rules will be handled at the administrative level immediately.

COMPUTER USE

COMPUTER USE AT HCSD #3 IS A PRIVILEGE AND WE EXPECT STUDENTS TO ACT RESPONSIBLY

- No food or drinks are allowed in computer labs or in the library.
- Any debt acquired by using the Internet will be the responsibility of the student user.
- Any student who causes damage to or vandalizes any computer, computer equipment, or electronic device will be responsible for the cost of replacement and/or repair.

Henry L Slater Family Agreement for chromebook checkout:

Receiving Your Device: A device and device charger will be distributed to all Slater students in need.

Taking Care of Your Device: Students/Parents are responsible for the general care of the device they have been issued by the school.

General Precautions:

- Only use a clean, dry soft cloth to clean the screen- don't use cleansers of any type.

- Cords and cables must be inserted carefully into the device to prevent damage. Students may NOT personalize their device with stickers.
- Students/Parents are responsible for keeping their device secured at all times and kept in a safe place.
- Unattended devices will be collected and stored in the school's main office. Students are responsible for their devices at all times.

Screen Care:

- The device screen can be damaged if subjected to rough treatment. The screen is particularly sensitive to damage from excessive pressure on the screen.
- To protect the screen from damage, device screens should face towards the students back when placed in their backpacks. Do not lean on the device, or place anything near the device that could put pressure on the screen.
- You can clean the screen (if needed) with a soft, dry cloth or anti-static cloth.

Using Your Device: Devices are intended for school use. In addition to curricular expectations, school messages, announcements, calendars and schedules may be accessed using the devices.

Screensavers/Background Photos: Inappropriate media may not be used as a screensaver or background photo. Presence of guns, weapons, pornographic materials, inappropriate language, alcohol, drug, gang-related symbols or pictures will result in disciplinary actions.

Cost for Damaged, Lost or Stolen Devices: You must return the District-provided charging accessory and any other device related items issued by the District when you return your device.

Students/Parents will be held responsible for ALL damages or loss to their device and device charger. In the event of damage, the student and parent will be billed for the cost of repairs.

If you fail to return the device and/or related components upon school return, upon withdrawal, or when directed to do so, the device and related components will be considered stolen property. If the device and charger are not returned or reimbursement for the cost of the device is not provided, transcripts could be withheld.

I have read and understand the policy regarding Chromebooks at Slater Grade School. I understand that it is my responsibility to take care of the Chromebook and use it properly. I understand that I am responsible for loss, misuse, or intentional damage or abuse of the Chromebook. Replacement cost for any of the above is \$225.00. Repair costs vary depending on the damage.

CONFERENCES

Regular conferences are scheduled annually in the fall and spring to review student progress. Parents or guardians are required to attend as our parent conferences are student led.

Students and parents may also expect teachers to request a conference: (1) if the student is not maintaining passing grades or achieving the expected level of performance; (2) if the student is not maintaining behavior expectations; or (3) in any other case the teacher considers necessary.

The district encourages a student or parent in need of additional information or with questions or concerns to confer with the appropriate teacher, counselor or principal. A parent who wishes to confer with a teacher may call the office for an appointment before or after school, during the teacher's preparation period or request that the teacher call the parent to arrange a mutually convenient time.

COUNSELING

The main goal of the Harney County School District Counseling Program is to ensure all students have the skills and support they need to become successful adults outside of high school. It will provide counseling services that support academic, career, and social/emotional development

of each and every student. The school counselor will work with students individually, in groups, and in the classroom setting. They will also provide support to parents and guide them towards school and community resources that can help students find success in all life domains.

CYBERBULLYING

The district prohibits any form of harassment, intimidation or bullying, through electronic means, which is known as cyberbullying. A student may be subject to discipline, up to and including expulsion, for a violation. A student may also be referred to law enforcement for a violation. Students or volunteers may report cyberbullying anonymously. Remedial action shall not be based solely on an anonymous report. ORS 339.3512339.364. DISCIPLINE MATRIX

Pages 20-21

DRESS AND GROOMING

The district's dress code is established to promote appropriate grooming and hygiene, prevent disruption and avoid safety hazards. In general, students should dress in neat, clean, appropriate clothing/manner which does not disrupt the educational process and protects the rights of others. The Clothing Policy applies to school and school events:

Clothing Policy:

- Tops that show bare midriffs or underwear are not allowed.
- Low-cut tops may not be worn.
- Tops that have spaghetti straps or an open back are not appropriate.
- Clothing worn under "see-through" tops must follow the criteria above.
- Tanks with low hanging armpits or cut at the midriff will also not be permitted.
- Shoes must be worn at all times. Slippers are not allowed unless permitted by the student's teacher.
- No heels higher than one inch.
- Closed-toe shoes and shoes with a back strap are recommended. Flip-flops, slides, sandals and Crocs may be worn at the discretion of the student's parent or guardian. *(If this type of footwear causes safety concerns or becomes a distraction to the learning environment students will be asked to wear alternative shoes.)*
- Students are not allowed back in the classroom to get clothing items during recess.
- Clothing must not advertise, represent or portray alcohol, tobacco, drugs, sexual or discriminating messages of any kind.
- Dresses, skirts and shorts must be midhigh *(mid being outlined at the middle of the student in question thigh.)*
- Cuts or holes in jeans above midhigh will not be permitted.
- Chains or other noisy or dangerous items attached to clothing are not allowed and must be removed for safety purposes.
- All forms of head coverings must be removed when in the building, including caps, hoods, bandannas and visors.
- Sunglasses may be worn outside only.
- No inappropriate messages on clothing.
- Jewelry is prohibited if it creates a safety hazard.
- Students may choose to dress up for Halloween. Learning and safety are a top priority so costumes must allow the student to participate in the educational school day as usual (recess, P.E., sitting at a table or desk, walking in the halls, etc.). Costumes must be school appropriate and not promote violence (no weapons, gore, or blood). No face paint, makeup, or masks covering the student's entire face are to be worn.

DRILLS - FIRE, EARTHQUAKE AND OTHER EMERGENCY DRILLS

Monthly emergency drills will be conducted following SRP (Standard Response Protocol) - (Hold, Secure, Lockdown, Evacuate, and Shelter)

A map/diagram of the fire escape route to be followed is posted near all classroom doorways and reviewed with students. When the fire alarm is sounded, students must follow the direction of staff quickly, quietly and in an orderly fashion.

EMERGENCY MEDICAL TREATMENT

A student who becomes ill or is injured at school must notify his/her teacher or another staff member as soon as possible. In the case of a serious illness or injury, the school shall attempt to notify parents according to information provided on emergency forms and submitted by parents to the school. Parents are encouraged to update this information as often as necessary.

If the student is too ill to remain in school, the student will be released to the student's parents or to another person as directed by parents on the student's emergency form.

School staff may administer emergency or minor first aid, if possible. The school will contact emergency medical personnel, if necessary, and will notify the student's parents.

EMERGENCY SCHOOL CLOSING INFORMATION

In case of hazardous or emergency conditions, the superintendent may alter district and transportation schedules, as are appropriate to the particular condition. Such alterations include closure of all schools, closure of selected schools or grade levels, delayed openings of schools and early dismissal of students.

FIELD DAY

Field Day is scheduled each year on the last day of school. It is a special day for Henry L Slater students to enjoy a very active and fun-filled day with their class and to have closure for the end of the year. Guests are not allowed to participate in Field Day activities, that includes siblings, cousins, etc. Everyone is welcome to eat their sack lunch with students after Field Day activities are over.

FIELD TRIPS

Field trips may be scheduled for educational, cultural or other extracurricular purposes. All students are considered to be "in school" while participating in district-sponsored field trips. This means students are subject to the school's student conduct rules, applicable Board policy and such other rules as may be deemed appropriate by the field trip supervisor.

FLAG SALUTE

Students will be provided an opportunity to salute the United States flag daily by reciting *The Pledge of Allegiance*.

HOMELESS STUDENTS

The district provides full and equal opportunity to students in homeless situations as required by law, including immediate enrollment. School records, medical records, proof of residence or other documents will not be required as a condition for admission. A student is permitted to remain in his/her school of origin for the duration of his/her homelessness or until the end of any academic year in which he/she moves to permanent housing.

Transportation to the student's school of origin will be provided, at the request of the parent, or in the case of an unaccompanied student, at the request of the district's liaison for homeless students. For additional information concerning the rights of students and parents of students in homeless situations or assistance in accessing transportation services, contact the district's liaison for homeless students.

Harney County School District #3 Homeless Liaison - 541-573-2044

IMMUNIZATION

A student must be fully immunized against certain diseases or must present a certificate that, for medical, religious, or personal reasons, the student should not be immunized. Proof of immunization may be personal records from a licensed physician or public health clinic.

Any student not in compliance with Oregon statutes and rules related to immunization may be excluded from school until such time as he/she has met immunization requirements. Parents will be notified of the reason for this exclusion. A hearing will be afforded upon request.

INSURANCE

The district shall not be responsible for costs of treating injuries or assume liability for any other costs associated with an injury.

INVITATIONS

Invitations for parties/activities that occur outside of school **are not to be handed out at school**. The school is also not allowed to give out addresses or phone numbers of students.

LOST AND FOUND

Any articles found in the school or on district grounds should be turned in to the school office. Unclaimed articles will be disposed of at the end of the school year.

Loss or suspected theft of personal or district property should be reported to the school office.

LUNCH/BREAKFAST PROGRAM

The district participates in the National School Lunch, School Breakfast and Commodity Programs and offers free and reduced-price meals based on a student's financial need. School breakfast is served free of charge to all students.

Charging a meal is strongly discouraged. Charging is to be used only in the event of an emergency if the student has forgotten home lunch or meal money. Students can't have more than three charges; students will not be allowed to charge anymore and may be asked to bring a sack lunch from home until charges are paid. If the parent is in financial difficulty for even a short period of time, the free/reduced meal program is available and should be used. Please feel free to call the Food Service Director, Channon Rebeiro at 541-573-7170.

MEDIA ACCESS TO STUDENTS

Media representatives may interview and photograph students involved in instructional programs and school activities, including athletic events. Information obtained directly from students does not require parental approval prior to publication.

Parents who do not want their student interviewed or photographed should direct their student accordingly.

District employees may release student information only in accordance with applicable provisions of the education records law and Board policies governing directory information and personally identifiable information.

MEDICINE AT SCHOOL

Students may be permitted to take prescription or nonprescription medication at school or at school-sponsored activities on a temporary or regular basis, when necessary. Parents must personally deliver the medication in the original container. All medication is to be kept in the office. Medication is never to be brought to school on the school bus. Medication that is prescribed three times a day can be given before the student comes to school, after school and again at bedtime.

District-Administered Medication

Requests for the district to administer medication shall be made by the parent in writing.

Written instructions of the physician are required for all requests to administer prescription medication. Such instructions must include the following information: name of the student, name of the medication, dosage, route, frequency of administration and any

special instructions. A prescription label meets the requirements for written instructions from the physician, if the information above is included.

Written instructions of the parent which include the information above are required for all requests to administer non prescription medication.

All medication to be administered by the district is to be brought to school by the parent in its original container. Medication not picked up by the parent within five school days of the end of the medication period or at the end of the school year, whichever occurs first, will be disposed of by the district.

All medication must be kept in its appropriately-labeled, original container. The student's name is to be affixed to nonprescription medication.

ONLINE LEARNING

The district has an online platform to offer to students that are seeking distance learning. Attendance and participation are expected for all students all four days.

PERSONAL COMMUNICATION DEVICES AND SOCIAL MEDIA

Henry L Slater recognizes the importance of communication and collaboration, and provides chromebooks for students to be productive in the classroom. However, to keep the focus on our students developing academically as well as acquiring the necessary skills for face-to-face interaction with peers and adults, we feel it's imperative to reduce the unnecessary distractions that our elementary school-aged children are facing.

- All phones/devices are brought on campus at one's own risk.
- Electronic devices such as cell phones/gaming devices are to be turned off during the school day and must remain in the student's backpack - not in clothing pockets or on the person. Place the device all the way inside of the backpack so that it is not visible.
- The school is not responsible for lost or stolen devices.
- Cell phones may be turned on after school but must still remain all the way inside the backpack - not in clothing pockets or on the person.
- Phone calls, texting, and videotaping of oneself or others is strictly prohibited at any time during the school day to include classrooms, library, school-yard, cafeteria, common areas or restrooms.
- Smart watches may be worn, however cannot disrupt the educational setting.

If a student needs to contact a parent during the school day for an emergency, he/she must request permission from the teacher and go to the main office to make the call.

If a student is found using their personal device, disrupting the educational setting, or not adhering to the rules above, the device will be taken and turned into the office for a parent to pick up.

RETENTION OF STUDENTS**

See District policy - IKE-AR.

SCHOOL HOURS

School hours are from 7:55-3:10. Playground supervision is from 7:40-3:10. If you are bringing your child to school, please have them arrive at school no earlier than 7:40 a.m. Breakfast will be served in the classrooms beginning at 8:00. ***Entering a classroom after 8:00 a.m. is counted as a 'tardy.'*** Your child needs to be picked up immediately following school dismissal. Students are not allowed on the playground until after 4:30 p.m.

SEARCHES

District officials may search the student, his/her personal property and property assigned by the district for the student's use at any time on district property or when the student is under the jurisdiction of the school. Such searches will be conducted only when there is reasonable

suspicion to believe evidence of a violation of a law, Board policy, administrative regulation or school rule, or the Student Code of Conduct is present in a particular place.

Searches will not be excessively intrusive in light of the age, sex, maturity of the student and nature of the infraction. Strip searches are prohibited by the district.

District officials may also search when they have reasonable information that emergency/dangerous circumstances exist.

District-owned storage areas assigned for student use, such as lockers and desks, may be routinely inspected at any time. Such inspections may be conducted to ensure maintenance of proper sanitation, to check mechanical conditions and safety and to reclaim overdue library books, texts or other instructional materials, property or equipment belonging to the district. The student will generally be permitted to be present during the inspection.

Items found which are evidence of a violation of law, policy, regulation or school rule, the Student Code of Conduct may be seized and turned over to law enforcement or returned to the rightful owner, as appropriate.

Questioning

Should law enforcement officials find it necessary to question students during the school day or during periods of extracurricular activities, the principal or designee will be present, when possible. An effort will be made to notify the parent of the situation.

Parents are advised that when an Oregon Department of Human Services or a law enforcement official is questioning a child whom the investigating agent believes may have been a victim of abuse of a child, the investigator may exclude district personnel from the investigation and may prohibit personnel from contacting parents.

Students with Disabilities

The school provides programs and services for students with disabilities. A student or parent with questions should contact the special education teacher.

Access/Release of Education Records

By law, both parents, whether married, separated or divorced, have access to the records of a student who is under 18 years of age, unless the district is provided evidence that there is a court order, state statute or legally-binding document relating to such matters as divorce, separation or custody that specifically revokes these rights.

Parents of a minor, or an eligible student (if 18 years of age or older), inspect and review education records during regular district hours.

Requests for Education Records

The district shall, within 10 days of a student seeking initial enrollment in or services from the district, notify the public or private school, education service district, institution, agency, detention facility or youth care center in which the student was formerly enrolled and shall request the student's education record.

Student Restraint and Seclusion

In an emergency, physical restraint and/or seclusion may also be used by a school administrator, teacher or other school employee as necessary when the student's behavior imposes a reasonable threat of imminent, serious bodily injury to the student or to others. The use of physical restraint/seclusion under these circumstances is only allowed so long as the student's behavior poses a threat of imminent, serious physical harm to themselves or to others.

Parents will be notified if their student has been restrained or secluded as described above.

Student Rights and Responsibilities

Among these student rights and responsibilities are the following:

1. Civil rights - including the right to equal educational opportunity and freedom from discrimination, the responsibility not to discriminate against others;
2. The right to attend free public schools, the responsibility to attend school regularly and to observe school rules essential for permitting others to learn at school;
3. The right to due process of law with respect to suspension, expulsion and decisions which the student believes injure his/her rights;
4. The right to free inquiry and expression, the responsibility to observe reasonable rules regarding these rights;
5. The right to assemble informally, the responsibility to not disrupt the orderly operation of the educational process, nor infringe upon the rights of others;
6. The right to privacy, which includes privacy in respect to the student's education records;
7. The right to know the behavior standards expected, the responsibility to know the consequences of misbehavior.

TALENTED AND GIFTED PROGRAM**

The district's TAG program and service options will be developed and based on the individual needs of the student.

TOBACCO FREE ENVIRONMENT

Harney County School District #3 campuses are all alcohol, drug and tobacco free. District Policies- JFCK, JBK, KGC.

TRANSPORTATION OF STUDENTS

Transportation is provided to and from school by the District. Students must follow the school, district, and bus rules. Riding privileges may be suspended for violation of rules. All students are in-serviced in the fall regarding bus safety.

Disciplinary Procedures for Violations of Transportation Rules

Students in grades K-12 will receive one verbal warning before being issued a citation by the bus driver, unless the incident is a serious safety issue, interferes with the safe operation of the bus, or involves serious disrespect to the bus driver or other students. Following the warning, students will then move directly into the citation process. Reports will be sent to the school and the parent/guardian.

1. First Citation:

The driver verbally restates behavior expectations and issues a warning. The driver may assign the student to a particular seat.

2. Second Citation:

The student is suspended from the bus until a conference, arranged by the transportation supervisor, has been held with the principal, the student, and/or the parent, the bus driver, and the transportation supervisor.

3. Third Citation:

The student receives a 5-10 day suspension and will not be able to ride the bus until a conference arranged by the transportation supervisor has been held with the student, the parent, the bus driver, the transportation supervisor, and the principal. Further violations of bus regulations will be considered severe violations.

4. Severe Violations:

Any Severe violation may result in the immediate suspension of the student for a minimum of 10 days and up to 1-year expulsion. There will be a hearing at this time, arranged by the transportation supervisor involving the student, the parent, the bus driver, the transportation supervisor, and the principal.

In all instances, the appeal process may be used if the student and/or parent desire. Parents may contact the school for the appeal procedure.

School Bus Expectations: Page 17

Bus Stop Rules

Rules at a bus stop are the same rules that apply to students at school. Students are to stay off private property. There is to be no horseplay, fighting, bullying, or harassment. Students who create problems at bus stops will be reported to parents and then removed from the bus stop if problems continue.

Students must go directly home or to their designated location after being dropped off at their bus stop at the end of the day.

Kindergarten students riding home on the school bus will receive **Hand-in-Hand** delivery; they will not be let off the school bus unless there is someone there to meet them or accompanied by a sibling. The third time a parent fails to meet the bus during the year the child will lose transportation privileges for the remainder of the school year and parents will have to provide their own transportation.

Bus Boarding Procedures

At the beginning of each year, specific after school plans are made for each child. Therefore at the end of every day students are released from their classroom to the bus loading area according to the bus number they ride. As soon as buses are loaded, they depart from Slater School. **If other arrangements need to be made for your child, you must send a note with your child in the morning or call before 1:00 pm, otherwise, your changes may not be honored.**

After students exit the school bus, they are expected to immediately go home to a parent/guardian at a designated location.

No food/eating will be allowed on the school bus at any time. This is a significant choking hazard!

We expect our students to follow the same rules at the bus stop as they do at school. Students are to stay off private property. Students who create problems at bus stops will be reported to parents. At the discretion of the transportation supervisor, students may be removed from that bus stop, if problems continue.

Parent Pick Up, Drop Off, and Parking

- **Before School Drop Off:**
Student drop off is **in front of the school on Fairview Street** (this is a one way street).
- **After School Pick Up:**
Student pick up is **in front of Slater School on Fairview Street** (this is a one way street). From 2:30-3:30, no unattended cars are permitted along the curb, in order to maintain the traffic flow as parents pull in to load students. Please park across the street if you must leave your vehicle.
- **Parent/Staff Parking:**
Unattended vehicles along the curb on Fairview Street are permitted from 8:30-2:30. Parents may use the staff parking lot by the bus pick up on some occasions. Many other personnel use this parking lot, and it can be busy. **Do not pick up or drop off your child in the staff parking lot.**
- **Parent Pick Up**
Parents picking up their children after school must wait outside for students to be released.

Bicycles ridden to school by students must be parked in the designated area on school grounds and should be locked. Students under the age of 16 must wear a helmet as required by law.

The district assumes no liability for loss or damage to vehicles or bicycles.

VISITORS

Parents and other visitors are encouraged to visit district schools. To ensure the safety and welfare of students, that school work is not disrupted and that visitors are properly directed to the areas in which they are interested, all visitors must report to the office upon entering school property. Photo ID of visitors may be requested. In the absence of photo ID, a visitor may be denied access to the district facility. The principal will approve requests to visit, as appropriate. Students will not be permitted to bring visitors to school without prior approval of the principal. All visitors must have a background check completed and up to date, as well as proof of COVID vaccination or exception form on file. All paperwork will be filled out and on record at the district office.

WHAT NOT TO BRING TO SCHOOL:

Students are not to bring beepers, radios, stereos, cd/dvd players, ipods, gameboys, or electronic devices, toys, footballs, basketballs, kickballs, baseballs, bats, skateboards, scooters, roller-blades, wheelies or any expensive item, i.e. jewelry. This includes any item deemed unsafe. Items will be confiscated and parents will have to pick them up.

Henry L. Slater Discipline Matrix

The discipline code was established by Slater Elementary School and is intended to be used as a guideline which permits uniform administration of consequences throughout the school, but allows for some latitude with individual needs. As indicated below, the consequences section (indicated by step number under sequence of offense categories), represents minimum starting points for disciplinary consequences. Successive offenses in each category may result in movement to the next step or more. **Continued infractions in a level could be continuous and not start over. Slater Mission: Empower all students through high expectations to embrace learning and achieve personal success.

Slater Vision: Embraced - Educated - Empowered

The Title 1-A program at Slater Elementary School is a collaborative effort involving the student, the teacher, and the parents who work together to achieve high student performance.

1. Each year, an annual parent information opportunity will be held. This opportunity will be used to review the Family Involvement Plan, School-Parent Compact, School-wide Plan, as well as to invite parents to observe, volunteer, or join the Leadership Team for the purpose of reviewing the Compact and Family Involvement Plan. Parent and community member suggestions for revising the Compact or Family Involvement Plan, as well as ideas regarding Slater activities will be taken at this time to potentially be implemented the following year. If you are interested in observing or volunteering in your child's classroom, please be sure to schedule a time with the teacher and check in at the office for a visitor badge. If you are interested in helping develop the School-Wide Plan with the Leadership Team, let the office know. We will be updating the plan for next year in March/April.
