Dear Families,

Our students are joining St. Jude Children's Research Hospital® in the fight against childhood cancer by participating in the St. Jude Math-A-Thon the week of: May 5th

St. Jude Math-A-Thon is a fun and educational way for students to test their math skills while making a difference for St. Jude kids. You can play a key role in bringing success to this program, and participation is simple:

ACCESS your school's fundraising page

- Visit stjude.org/math
- Use "Find your school" to register and begin your child's fundraiser

SPREAD the word

- Let friends and family know your child and their classmates are signed up for the St. Jude Math-A-Thon
- Share on social media and make sure to tag [@stjude](https://twitter.com/stjude) and use [#stjudemathathon](https://twitter.com/stjudemathathon)

TRACK your progress

- Donations can be collected both online and offline
- Log all of your fundraising success in your online fundraising center
- Access your online fundraising center via your mobile phone to upload check donations

EARN prizes!

- After the conclusion of your school's fundraiser, you will receive a prize link to select your prize(s)

Multiply the power of hope with the St. Jude Math-A-Thon. Thank you for helping St. Jude kids.
