<b>Date</b>	<b>Thursday, August 11, 2022</b>
<b>Time</b>	8 am to 3 pm, lunch included
<b>Location</b>	Huron Intermediate School District Administrative Offices 1299 S. Thomas Road, Bad Axe, MI 48413
<b>Cost</b>	<b>FREE</b> to teachers in schools served by Huron, Sanilac, and Tuscola ISDs* <i>Costs paid through a Mi-STEM Region 11 grant. Federal dollars not used for food.</i>
<b>Credit</b>	6 DPPD hours
<b>Presenter</b>	Jenni Trusock, Huron ISD
<b>Audience</b>	<b>General Education and Special Education Teachers*</b>
<b>Description</b>	Participants will receive two books of supplemental math mini-lessons aligned to grade-level standards, along with class sets of all manipulatives used in the lessons. At this workshop, you will explore the manipulatives, experience lessons from different domains, and discuss strategies for using the resources with your students.
<b>Stipend</b>	<b>\$100 stipend for teachers in Mi-STEM Region 11</b> (Huron, Sanilac, and Tuscola)
<b>Registration</b>	<b>REGISTER BY MONDAY, JULY 11, 2022*</b> Go to <a href="http://huronisd.org">huronisd.org</a> , Professional Development page
<b>Questions</b>	Contact Vicky Erdman at 989-269-6406 with registration questions Contact Jenni Trusock ( <a href="mailto:jtrusock@huronisd.org">jtrusock@huronisd.org</a> ) with content questions

\* Open to teachers in Huron ISD schools only prior to July 11.

After July 11, open seats will be available to teachers in Huron, Sanilac, or Tuscola until July 26.

**\*\*\* REGISTER SEPARATELY FOR HANDS-ON MATH WORKSHOP  
for GRADES 6 & 7 (August 10) \*\*\***
