

Dear Parent or Guardian:

All students enrolled in New Jersey public schools must be surveyed to determine the percentage of students who qualify for free and reduced price school meals. This survey is necessary even if the school does not participate in any of the federally funded Child Nutrition Programs.

Attached is an application to be used for survey purposes. Please fill out this application as soon as possible, sign it and return it to your child's school.

New Jersey is committed to ensure that all children are enrolled in a health insurance program. Information on your meal application will be shared with NJ Family Care to determine if your children qualify to participate in this state insurance program. If you do **not** wish to share your information with Medicaid or NJ Family Care you must complete and sign the enclosed information sharing form for Medicaid or NJ Family Care and return it to your child's school. For more information, follow the link to the [NJ Family Care](#) website.

Contact your child's school if you have any questions. Thank you for your cooperation.
