

STEWART COUNTY BOARD OF EDUCATION

FROM THE OFFICE OF

Dr. Michael H. Robinson, Superintendent of Schools

"Passion will fuel our journey"

July 18, 2022

Greetings, Royal Knights Community!

On Behalf of the faculty and staff of Stewart County School District, I would like to welcome you to the 2022-2023 school year. The Stewart County Community has a positive atmosphere that we feel is very supportive to every student reaching their fullest potential. Such an atmosphere is accomplished with a dedicated staff and a student body that accepts responsibility. We are proud that our students are exposed to a sound, comprehensive curriculum, a myriad of extra-curricular activities, and the opportunity to establish friendships with other students from different cultures, socio-economic groups, and many other walks of life.

We hope that at the end of every student's experience in our school district, they will have progressed academically, emotionally, and socially. Our *mission* is to "*provide a quality education for all students,*" and we strive to ensure every student leaves Stewart County Schools prepared to pursue a post-secondary option.

In closing, our district leadership team will maintain an "open door" policy of assistance. Please do not hesitate to discuss any concerns or problems with us.

We look forward to a beneficial and lasting relationship.

Educationally Yours,
