

Desert View Intermediate School- Before and After School Enrichment Programming

Dear Parent/Guardian:

We are offering before and after school programming for our students. This programming offers a safe and supervised place for students to learn before the school opens and after the school day is over. Program offerings are listed in this letter. Be aware that programs have limited seats available and some students may be placed on a waiting list. Everyday attendance is expected with each program.

Enrollment is happening now for the enrichment programs! Complete the application using the QR code provided in this packet or use the paper enrollment form and return it to your school as soon as possible. Spots will fill up. When all spots are filled, we will be sure to communicate with the school community.

Once enrolled, students need to be dropped off at Desert View Intermediate School at 7:00 am-7:15 am for morning programming. For after school programming, students will need to be picked up at 4:30. Bus routes are available for students who are enrolled in after school programming. This letter contains the drop off and pick up information as well as 4:30 activity bus route information.

Schedule:

- Tuesdays and Thursdays - 3:00-4:30, September 6 - December 8

Attendance Expectations and Procedures

Attendance is expected everyday of a program. If a student enrolls in a program and doesn't show up for programming or a student misses more than 3 days of programming, the school will make efforts to contact the family. If contact is unsuccessful, the school will open the spot for a student on the waiting list to attend. Please keep contact information up-to-date with your child's school to ensure communication gets through.

Behavior Expectations and Procedures

We aim for engaging learning environments during programming. In order to achieve this, we expect our students to come to programming ready to participate and learn. The school will utilize their established Code of Conduct in order to deliver engaging learning environments for all students. The school will also utilize their established procedures for intervening on and addressing behavior issues that do not meet the Code of Conduct.

Transportation Information

Before School Drop off

Before School Mileage Club students are to be dropped off at the front playground gate no later than 7:15.

After School Pick Up

After School Enrichment students are to be picked up at the front of the school no later than 4:30.

After School Bus Routes

The Page Unified School District offers transportation after school to all eligible students approved to ride; however, the route information is different from the regular school route. If your child will be riding the 4:30 Activity Bus for the first time, please familiarize yourself with the following schedules and service areas to facilitate the pickup of your children. Make sure to select your primary method of transportation on the enrollment form. Use route information below to make this decision. If your transportation method needs to change, contact your school to communicate the changes. Depending on the timeliness of your communication, the request may or may not be possible.
