

Hello families of the Class of 2028,

Brimfield High School will conduct our annual Freshmen Orientation on Parent/Teacher Conference Night, Thursday, March 14th from 5:00 – 6:00 p.m. We will start the night with a brief overview and introductions in the gym. Families will receive a folder with the following pieces of information:

1. Our Mission & Goals
2. 9th grade course registration form
3. Math Placement Matrix
4. Basic 4-year course plan guide
5. BHS graduation requirements
6. 2024-2025 calendar
7. Health, Dental, and IHSA Physical Forms

After our time in the gym, students will be able to tour the building with some BHS student council leaders. After tours, our student council leaders will return to the gym with our incoming freshmen so students and families can visit tables with student representatives from each of our clubs and extracurricular activities.

All information that is shared with families at this event will also be emailed to each family. So if you are not able to attend, every document that is in the folder will be sent out that night via email as well. This way, all families will have the information at the same time even if some cannot attend.

We look forward to getting to know the Class of 2028.

After our brief orientation, we invite you to stick around for our BHS Pops Concert at 6:30 p.m.

Have a great evening,

Marcy Steele
