

# INTERIM EMPLOYMENT CERTIFICATE (IEC)

Mobile County  
PUBLIC SCHOOLS

The Interim Employment Certificate allows Alabama school districts to consider an individual for employment as a Teacher, Media Specialist, or a School Counselor when the individual is unconditionally admitted to a master's level state approved educator preparation program or master's level CACREP accredited school counseling program at an ALABAMA university.

This approach can only be pursued in conjunction with an employing Alabama county/city school system or eligible nonpublic/private school.

**Teaching

While  
Completing a  
Master's  
Degree**

- **Three 1 year certificates are available through this approach.**
- **The program of enrollment must match the assigned teaching field.**
- **Verification of unconditional admission to a State-approved educator preparation program or master's level CACREP-accredited school counseling program at an ALABAMA college/university will be required.**
- **Professional Certification is awarded through completion of the master's program.**
