

ALUMNI NEWSLETTER

By Faith

Early this year, the Master's Academy school board announced intentions to purchase the Pathway Church property. This will allow the school to expand and plan for future growth. We are excited to step into this new season and look forward to how God will use Master's Academy to impact more lives on the Treasure Coast.

How can you get involved? Pray for God to raise up supporters who want to see Christ-centered education flourish in Indian River County. Help connect us with investors who have a heart for Christian education. Support your alma mater by making a donation to the *By Faith* capital campaign. Reach out to us and let's talk! We have several opportunities to sponsor classrooms and projects.
