We hope you had a relaxing summer and are looking forward to a productive school year. The first student day of this school year is Tuesday, September 5, 2023. Both breakfast and lunch will be served on that day. The information here will be handy for you throughout the school year.

If You're
New in the
New York Mills School District...

We're glad you're here!!! Welcome to the New York Mills education community. It's important that you contact the school as soon as possible to be sure your children get registered. Please choose one of the following numbers to call and make arrangements:

Elementary School: 385-4208
High School: 385-4211

You should register with the school even if your child is not yet of school age. If you're not sure whether or not you reside in the New York Mills School District, please call 385-4201.

EARLY CHILDHOOD SCREENINGS

The Community Education office is responsible for scheduling the Early Childhood Screenings for 3 and 4 year olds that are conducted through Lakes Country Service Cooperative at the New York Mills school. This is a FREE screening until your child reaches the age of 5 years old at which time the screening will be at your own expense through the child's primary physician. This screening is required by Minnesota Statute 121A.17 for entrance into Kindergarten. It is an opportunity for you to review your child's growth and development and to follow up on any health or learning concerns. The screening includes a developmental assessment, vision and hearing test, height and weight measurements, immunization and health history review and a parent visit. It is NOT an examination to determine readiness for school. Its purpose is to identify conditions that might interfere with your child's ability to learn and to assist parents in developing strategies to help their child succeed. Call Deb in the Community Education Office to schedule an appointment at (218) 385-4203. Please leave a message if there is no answer and she will get back to you as soon as possible.

Welcome to New York Mills Public School. We are excited to begin the 2023-24 school year and look forward to serving the students and residents of Independent School District #553. Our staff takes great pride in our school, our programming, and our community. We are honored to be part of a positive and progressive school community.

The mission of the school system is to foster adaptable, engaged learners and responsible citizens. Our district staff is dedicated and works hard to meet this mission every day. Parents are the primary and most influential teachers of our students. With their partnership and support of our school personnel and programs, the potential for our students is endless. We also recognize the value of character and citizenship. Staff members continually strive to help students make good choices, think creatively, and develop to their fullest potential.

I want to extend a special thank you to the many businesses and individuals who make this calendar possible. The relationship between the school, local businesses, and the community is central to all we do and is greatly appreciated.

If you need help, have a question or are interested in learning more about the New York Mills Independent School District # 553, please visit our school district website.

Have a Great School Year!

Blaine Novak
Superintendent

I would like to take this opportunity to welcome students, staff and families back for the start of the 2023-2024 school year! I am so looking forward to another outstanding year at New York Mills Elementary! For those of you whose children are just starting school here for the first time, I am pleased to welcome you as part of our school community! For those of you who have been with us, I thank you for your continued support always and for your partnership with the school! We could NOT do it without you! You are incredible!

I hope this note finds you refreshed, recharged, and ready to take on an exciting new school year! I am honored and proud to have served for eleven incredible years as your Elementary Principal and look forward to many more incredible years together!

We are very excited to welcome Jenna Stodgell (3rd Grade), Allison Bauck (4th Grade), Zach Hocking (Phy Ed), Jamie George (Special Education ASD/DCD), Matthew Brown (Special Education EBD), Grace Christenson (Paraprofessional), Nicole Balbach (Paraprofessional) and Evelyn Ortega Martinez (Paraprofessional)! Jenna, Alli, Zach, Jamie, Matthew, Grace, Nicole and Evelyn are bringing many skills and experiences to NYMs Elementary including technology integration, creative lesson planning and differentiating their instruction to meet the needs of their students, to name just a few. Again, we are very excited to welcome them to our NYM family as I know you are too! We are also very excited to welcome Teri Bauck and Jennifer Blickenstaff to their new positions in the elementary starting this school year. Mrs. Bauck will be our new Literacy Lead and Mrs. Blickenstaff will be our new Multi-Tiered Systems of Support (MTSS) Interventionist! Looking forward to have such knowledgeable teachers helping all grade levels of students succeed in the areas of reading and math! They will both be missed in the classroom though! Also, we are excited for the following teachers who have made some changes to grade level or department: Adele Esala will be moving to part-time starting in the fall (MTSS Interventionist), Danielle Grieger will be moving from Kindergarten to 3rd Grade, Justice Kunza will be moving from Special Education to 2nd Grade, and Jenifer Woods will be moving from 3rd Grade to 4th Grade this year! We wish them well as they transition into their new positions as well and know that they will all do an amazing job!

Also, this year we bid farewell to Jeff Rimpila (Phy Ed), Laurine Braukmann (Literacy Lead), Rebecca Imsande (K-12 Music/Choir), Allie Riewer (3rd Grade), Maria Theisen (Special Education ASD/DCD), Heidi Tormanen (MTSS Interventionist), Shanetta Reitmeyer (Paraprofessional), Sheila Piippo (Paraprofessional) and Emily Warner (Early Childhood Special Education). We wish all of them well and the the very best that life has to offer and thank them from the bottom of our hearts as they start this new chapter in their lives! We can't thank them enough for their years of service to the New York Mills School District. I am sure you join me in wishing them all the best of luck as they all will be dearly missed! We will also dearly miss Jason Perala (Building and Grounds Supervisor) and Nick DeVillers (Technology Coordinator) as they transition into their new positions!

I have learned over the past eleven years that New York Mills is a school committed to our vision of partnering with the community to create an innovative learning environment where every student reaches for excellence today, tomorrow and into the future. Please be assured of my continued commitment to honoring your child's accomplishments and my continued hope of contributing to their even greater success in the future. I am committed to our school mission of fostering adaptable, engaged learners and responsible citizens!

Our goal is to continue to follow our new and updated Strategic Plan this year and into the future, written in collaboration with the school and the community, to provide all students with the opportunity to excel in academics, athletics, and the fine arts so that they may become positive, contributing members of our school and community!

I look forward to working with you this school year and letting you know about all of the great things that are happening at New York Mills Elementary! Please check out the District newsletter, Eagle News, sent to your e-mail each month! Let's work together to make this the best year ever – Eagle Pride Forever!

Sincerely,

Judith Brockway
Elementary Principal

I would like to welcome everyone to the 2023-2024 School Year! It has been my honor to serve as New York Mills High School Principal for the past ten years. Our culture here in New York Mills is supportive and collaborative and second to none. People are friendly and willing to do what is best for our students. We are proud to be the home of the EAGLES and this shows through the continued support of our parents and our community. I would like to extend my appreciation and say thank you for your continued support!

This year we would like to welcome Shelby Midthun who will be joining us as our new high school science teacher, Lindsay Kennedy who is joining our special education team and Adam Tervola Hultberg who is joining us as our new choir director. Please stop by to welcome and meet our new teachers during our annual Open House from 4:00-6:45 p.m. on Wednesday, August 30th. Also welcome back to all of our wonderful staff here at New York Mills High School. Our high school staff is dedicated to making sure your students achieve at their highest level. We are fortunate to have a wonderful team dedicated to helping our students succeed.

Our annual 9th grade Orientation is scheduled for Monday, August 21st, at 7:00 p.m. in the James Mann Auditorium. At this meeting we will go over the academic requirements and accountability associated with entering senior high school. We will also hold our annual 7th grade Orientation meeting on Tuesday, August 22nd, at 7:00 p.m. in the James Mann Auditorium. We will discuss the transition and expectations of entering the junior high school level.

Our New York Mills motto is “Preparing Students for Life.” We are committed to making a positive difference in the lives of your children. We will accomplish this by setting high standards and making sure our students have the ability, skills and resources to find success in college, career and the workforce. We work in collaboration with you to make sure they achieve at their best level of success. Some things that can help foster this success are; a good night’s sleep, being in school and on time, remaining here during the school day, maintaining a healthy diet and exercise, and, keeping a positive mindset.

Please schedule appointments before or after school hours when possible as attendance is vital to the success of your students. There is ongoing effort by NYMHS in coordination with Otter Tail County to make sure our students are attending school regularly. When students miss too many days of the school year this can have a negative effect on the quality of education they receive. We are here to support students and families. Parents can check student grades and attendance regularly on our ParentVue system. If you have concerns about your student’s achievement, please make sure to contact us as you are your student’s biggest and best advocate.

It is important that our students begin the new school year by committing to being organized and prepared. Keeping a positive attitude is also important for success. We encourage our students to imagine, dream, discover, explore, invent, design, create, produce, aspire and be inspired. Our hope is total success for all of our NYMHS students.

I encourage you to read through the NYMHS handbook, which is located in the 2023-2024 student planner. The Student Handbook lists the policies and procedures which will be followed here at NYMHS throughout the 2023-2024 school year. Please feel free to contact me if you have any questions or concerns. I am here to support your students and help them achieve at the highest possible level. I would also like to thank you for your continued support! I am looking forward with anticipation and excitement to see all that the 2023-2024 school year holds for our students, staff and community. **Go Eagles!**

Michelle Young

AND SCHOOL NEWSLETTER

If You're Riding School Buses...

NYM School Transportation Supervisor, Brent Gudmundson, reminds parents and students that bus route schedules will be mailed to each family the week before school starts. Please contact the District Office immediately if you are not listed or if you see any potential problems with the routes.

Pick up times listed for the routes will be only estimates and are subject to change due to additions/deletions of stops, road and weather conditions and other factors.

Drivers are required to maintain a tight schedule, so students should be at their bus stops ON TIME so drivers don't have to wait. Good discipline on the buses is essential so all passengers can be assured a safe ride to and from school.

School officials will work closely with parents and drivers to see that all bus rules are followed.

Buses will be loading and unloading students at the bus loading area east of the Sports Center entrance. No cars will be allowed in this area when buses are present. Those people dropping off and picking up children in their own vehicles should do so SOUTH of the bus loading area. DO NOT DRIVE IN FRONT OF THE BUSES WHEN THEY ARE LOADING AND UNLOADING AT THE SCHOOL.

GETTING OFF BUSES: Students must have a signed note from their parent/guardian before they will be allowed to get off the school bus at a stop other than the approved stop for that student. If students do not have a note, drivers will be instructed

to not let students off at any place other than their designated stop.

GUESTS ON BUSES: No more than one guest per student will be allowed to ride the school bus for birthday parties, sleepovers, etc. If more than one guest will be going home with your student, alternate transportation must be arranged in advance of the planned activity.

BUS SAFETY: All students who ride the bus to and from school must follow basic rules and regulations. Student safety is the top priority, so we ask that parents review with their children the following rules for a safe and orderly bus ride.

AT THE BUS STOP: Be on time. Stay off the road. Be considerate of private property. Do not enter the bus until it comes to a full stop. Take turns getting on the bus.

ON THE BUS: Obey the driver. Be seated promptly in your assigned seat. Keep your arms, feet, and books out of the aisle. Keep hands, head and objects inside the bus. Do not push, shove, fight, or throw objects. Talk quietly; no loud or profane language. Do NOT eat or drink on the bus. Treat the bus and equipment with care and respect. Keep bus clean.

New York Mills School Prekindergarten is for preschoolers who are four by August 31, 2023. This program offers families a variety of options, such as the following:

- pre-school
- special performances and activities
- parenting information
- information about referral to other services

Watch for more specific information in Tot Talk the ECFE/PK newsletter), Community Education brochures, the NYM Dispatch, and on posters. Call Kendra Geiser, ECFE/PK Program Coordinator @ (218) 385-2553, ext. #342 or Community Education @ (218) 385-4203.

Special Education

The New York Mills School District supports the policy that a free and appropriate education is the right of every child. The District is striving to meet the needs of special education students, ages birth to twenty-one. Because of the unique needs of these students, on July 1, 1970, New York Mills joined with nine other school districts to form the Freshwater Special Education Services. The Freshwater Special Education Board is made up of a superintendent from each local membership school district. Parents and the general public may contact local representatives for participation in special education matters. With enactment of Public Law 94-142, the Education of All Handicapped Children Act, federal funds are made available to the cooperative. Applications are made to the federal government for funding of special education programs each year. Applications, evaluations, and reports of PL. 94-142 are available for review to parents and the general public by contacting the superintendent of schools or director of special education. Included among the cooperative's special education services are the following: special instruction for the speech/language delayed, trainable mentally handicapped, learning disabled, hearing impaired, physically handicapped, home-based and school-based Early Childhood Special Education, and emotional/behavioral disabilities, as well as consultative services for speech/language, developmental adapted physical education, physical therapy, vision and hearing impaired, child study, emotional/behavioral disabilities,

and occupational therapy, along with administrative services and inservice training. Public Law 94-142 calls for parents to be involved in all planning steps for their handicapped children. Parents have the right to review their children's school records, to attend their children's staffing, and are encouraged to make program recommendations for their children's special education needs. If you know of a child who may have special needs, contact your school principal. You may contact the Freshwater Special Education Services Office @ **218-631-3505** or write 2222 910 Ash Avenue NE, Wadena, MN 56482.

The District considers names and birthdates of students, eligible for special education, as directory information and will share the information with DHS (Minnesota Dept. of Human Services) to determine which students are currently enrolled in a Minnesota Health Care Program. If a parent/guardian does not wish for directory information to be shared, you may opt out by contacting the building principal at the District.

According to the Individuals with Disabilities Education Act, (34C.F.R. 300.573), school districts must notify parents when the information contained in their child's special education records is no longer needed to provide public educational services to the child. This is public notification to parents (or students of the legal age of 18) of the district's intent to destroy all special education records dated prior to graduation 1997. You have the right to request a copy of these records, at a reasonable copying fee. Please contact Superintendent Blaine Novak, if you wish to arrange for a copy.

Bus Camera Info

On each of the 14 New York Mills School Buses, there are six video cameras that have been installed. The cameras are video only, with no sound being recorded. Two cameras will be utilized as Stop Arm Cameras, recording vehicles that violate the stop-arm sign. We are working closely with the New York Mills Police Department to help notify the public of Stop Arm safety. Vehicles must refrain from passing a school bus with its Stop Arm extended.

In addition to the external cameras, four cameras have been installed inside each bus. These cameras will primarily be used to assist in student behavior incidents. Cameras are not a live feed and will be reviewed later by the administration only. Although the cameras will record continuously when the bus is on, bus drivers also have access to an event button. Pressing the event button adds an indicator mark on the footage, which will make specific incidents easier to review.

Student Insurance

The New York Mills Public School does not provide any type of health or accident insurance for injuries incurred by children at school. We encourage all families to have accident coverage on their children, prior to participation in any sports or school sponsored activity. PEST CONTROL NOTICE

District #553 utilizes a licensed, professional pest control service firm for the prevention and control of rodents, insects, and other pests in and around the district's buildings. Their program consists of, 1) inspection and monitoring to determine whether pests are present and whether any treatment is needed, 2) recommendations for maintenance and sanitation to help eliminate pests without the need for pest control materials, 3) utilization of non-chemical measures such as traps, caulking and screening, 4) application of EPA-registered pest-control measures when needed. Pests can sting, bite, cause contamination, damage property, and spread disease; therefore, we must prevent and control them. The long-term health effects on children from the application of such pest-control materials, or the class of materials to which they belong, may not be fully understood. All pest-control materials are chosen and applied according to label directions per federal law. An estimated schedule of interior pest-control inspections and possible treatments is available for review or copying in the district office. A similar estimated schedule is available for application of herbicides and other materials to school grounds. Parents of students may request to receive, at their expense, prior notification of any application of pest-control materials, should such an application be deemed necessary on a day different from the days specified in the schedule.

The school district may also elect to do background checks of volunteers, independent contractors and student employees in the school district.

ATTENDANCE POLICY PUBLIC NOTICE

The Truancy Prevention Work Group of the Otter Tail Family Services Collaborative developed this attendance policy, to be incorporated into the policies and procedures of all Otter Tail County schools, grades K-12. We have worked together to develop this policy because we believe it is necessary to be academically engaged in order to be successful in school. This policy only addresses unexcused absences. Unexcused absences are defined by Minnesota Law and specifically within each school district's individual attendance policy.

Otter Tail County-Wide K-12 School Attendance Policy Rev. 7/02

1. Attendance will be taken every half-day in elementary schools and every class period in secondary schools.

2. For purposes of this policy, unexcused absences are cumulative throughout the school year. Records regarding attendance will transfer with students who transfer between schools within Otter Tail County.

3. Every time a student is absent for any period of time the school will notify the parents on the day the absence occurs, if the parent has not called or sent a note.

4. After three periods of unexcused absences, a letter will be sent to parents. The purpose of the letter will be to document the student's unexcused absences.

5. Following the seventh unexcused absence, a face-to-face meeting with the parents and student will be required. If parents do not attend the scheduled meeting, the matter may be referred to Human Services. Working together, a Truancy Plan will be established to address the student's attendance. Under Minnesota Law, the student's unexcused absences now qualify as truancy, and the school may make a formal referral to Human Services.

6. If the Truancy Plan that is developed is not followed and the child continues to have unexcused absences, the matter will be turned over to Human Services who will refer the matter to the County Attorney's Office to determine what action should occur. At this point, the parent or guardian can be criminally charged if they have not compelled their child's attendance. Judges have the authority to administer a variety of consequences, which can include the following:

- A child may lose their driving privileges until he or she is 18 years old.
- A child can be assigned community work service hours.

• The court can order that any necessary evaluations, treatment, and counseling services be completed by the child or family.

- A child can be removed from their home and placed in a shelter or foster care or a short-term residential facility.

If you have questions or concerns about this policy, please feel free to contact an administrator within your school district.

CREDIT CARD PAYMENT POLICY 721.1L

New York Mills Public School will accept credit card payment for school lunch accounts, sports fees, and other purchases as deemed appropriate by the administration. Credit card payment refers to online payments only. Any fee associated with the use of the credit card for such payments will be assumed by the card holder.

District #553 Food Service

Dear New York Mills parents,

We hope you and your family enjoyed the summer and that your students are looking forward to the school year ahead!

As the people responsible for keeping your children well-nourished throughout the year, we'd like to share some exciting things going on in our cafeteria.

This year, all students will be able to receive breakfast and lunch free! From serving healthy, tasty options and bringing good to the wider community, we're making school food even better and we're looking forward to serving New York Mills students.

The beginning of the school year is a great time to set healthy habits around food. We are still following the National School Breakfast and Lunch guidelines. Children will still need to pick a fruit or vegetable at every meal and have the required items in order for their meal to be free. Payment will still be required for extra food, ala-carte drinks, milk when bringing a lunch from home, and milk break.

Dear Parent/Guardian:

Our school offers healthy meals each day. Starting school year 2023-24, we are joining Minnesota's Free School Meals Program. All students can get one breakfast and one lunch free of charge each day at school. Although no application is required to receive this free meal benefit, filling out the Application for Educational Benefits is still important! Your child(ren) may qualify for other benefits like reduced fees at school. Your application may also help the school qualify for education funds, discounts, and other meal programs.

To apply, complete the enclosed Application for Educational Benefits and return it to: New York Mills ISD #553 District Office, PO Box 218, New York Mills, MN 56567.

Who should complete this application? Children in households participating in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPRI), and foster, homeless, migrant and runaway children qualify without reporting household income. Alternatively, children can qualify if their household income is within the maximum income shown for their household size on the instructions.

COMMON QUESTIONS:

I get WIC or Medical Assistance. Can my children qualify? Children in households participating in WIC or Medical Assistance do not automatically qualify. Children may be eligible depending on other household financial information. Please fill out an application.

Who should I include as household members? Include yourself and all other people living in the household, related or not (such as grandparents, other relatives, or friends).

May I apply if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens for you to complete an application.

What if my income is not always the same? List the amount that you normally get. If you normally get overtime, include it, but not if you get overtime only sometimes. For seasonal work, write in the total annual income.

Will the income information or case number I give be checked? It may be. We may also ask you to send written proof.

How will the information be kept? Information you provide on the form, and your child's approval, will be protected as private data. For more information, see the back page of the Application for Educational Benefits.

If I don't qualify now, may I apply later? Yes. Please complete an application at any time if your income goes down, your household size goes up, or you start getting SNAP, MFIP or FDPRI benefits.

If you have other questions or need help, call 218-385-4201.

Sincerely,

Marsha Maki, Business Manager

Parents, please still fill out the free or reduced forms as this will still help us receive funding for meals and a host of other programs. Applications can be found online, in the school calendar and in the District Office. As always, your information is kept confidential.

If your child needs a special meal prepared, please fill out a special diet statement available in the District Office and available from our school nurse.

Menus are available on our school website and the school Facebook page. If you have questions or concerns, please contact me at jpeterson@nymills.k12.mn.us.

Stay up-to-date on all of the fun stuff going on in our cafeteria by following us on social media at The New York Mills Eagle Nest!

Sincerely,
Julie Peterson
Food Service Supervisor

Step 1: Children

List all infants and children in the household, their school and grade if applicable, and birthdate. Attach an additional page if needed to list all children. Check the box if a child is in foster care (a welfare agency or court has legal responsibility for the child).

Step 2: Case Number

If any household member currently participates in SNAP, MFIP or FDPIR, write in the case number and then go to Step 4. If you do not participate in any of these programs, leave Step 2 blank and continue on to Step 3.

Step 3: Adult and Child Incomes / Last 4 Digits of Social Security Number

- Social Security Number/Total Household Members.** An adult household member must provide the last four digits of their Social Security number or check the box if they do not have a Social Security number. Report the total number of household members and ensure all household members are listed individually on the application in the child or adult section as applicable.
- Child Income.** If any children in the household have regular income, such as SSI or part-time jobs, list the total amount of regular incomes received by all children, and check the box for the frequency: weekly, bi-weekly, twice a month, or monthly.  - Are You Self-Employed or a Farmer?** List the net income per month or year after business expenses. Do not list the same income twice on the application. A loss from farm or self-employment must be listed as 0 income and does not reduce other income.
 - Any Other Gross Income.** List gross incomes before deductions from all other sources, such as SSI, unemployment, child support, public assistance, social security, rental income or annuities.

Step 4: Signature and Contact Information An adult household member must sign the form. If you do not want your information to be shared with Minnesota Health Care Programs, check the "Don't share" box in Step 4.
