Have a Fun-Filled Holiday

As we end 2022, I would like to thank you for your commitment to the vision and mission of Coleman Middle School! Since the start of the school year, we have had a lot of success thanks to parents and families like yours. I hope you have a relaxing winter break and that you enjoy this time with your scholar(s). I wish you health and happiness for the new year, and I hope this break gives you and your scholar(s) a chance to do things you might not be able to when school is in session.

I hope the holidays are wonderful for you and your loved ones. Friday, December 16th is our last day of school. There will be a plethora of opportunities to create a stronger bond with your scholar (s) and continue to support their academic growth and success. During the holidays, it's a good time to tell stories at the dinner table or do routines like reading at bedtime that help kids connect home and school expectations. Regular schedules are best for young scholars, and I encourage you to instill in them the importance of being rested and ready to learn in preparation for their return to school on January 4, 2023. We will continue to hustle everyday as we strive for 385!

From our Coleman Middle School family to yours, we wish you a Merry Christmas and a Happy New Year.

Yours in Education,
Dr. Eleashia J. Shaw
Principal
