Lake Havasu High School has a large range of after-school clubs that range from academic, service, and social clubs.

Students might feel like they don't have time for after-school activities. However, there are many benefits to joining a club.

Joining a club can boost your college application. Many colleges look at students outside the classroom activities to see if they are well-rounded. Not only will being in clubs help you get in, but it could also even help you get scholarships *to pay for college.*

Participating in different clubs allows students to meet others with similar interests and passions.

Clubs also help you develop new skills, such as teamwork, leadership, and communication.

DRESS CODE/PERSONAL APPEARANCE

It is the philosophy of the Lake Havasu Unified School District #1 Governing Board that student appearance, dress and conduct reflect the individual school and the school district. Dress should be clean, neat and appropriate in material and style for a businesslike educational atmosphere. Students must have appropriate hygiene. Attire that is distracting, disruptive, or derogatory interferes with the orderly operation of the school (POLICY JFCA). The Board has approved standardized shirts available in several colors. Standardized wear is available for purchase only at the high school:
