Time To Leave Egypt

Now, after several hundred years of slavery, the children of Israel were getting ready to leave Egypt. They were to return to the land of Canaan—the land God had promised to them. There were about two million people who were to leave Egypt. They took their families, their animals and all their belongings and began the journey home.

Label each number on the map as shown below.

Two Signs Of God's Presence

During the plagues, God had been showing His people that they could truly trust Him. Now, He showed them again that He would be with them all during their journey.

"Fear"—To Be Afraid Or To Trust?

This lesson points out two ways we use the word "fear." Sometimes it means to be afraid, and sometimes it means to trust someone.

At the beginning of each of the following statements, write either the word "afraid " or the word "trust " to show you understand which type of "fear" is being described.

 Afraid The Israelites became fearful when they felt they were trapped between Pharaoh's armies and the Red Sea.

 Trust After the Lord delivered the Israelites, they feared Him and believed Him.

 Afraid My mother told me not to eat anything before dinner, and I took a cookie. Just as I took a bite, Mother walked into the room.

 Trust I was fearful as soon as Mother turned out the light. Then I began to pray and ask God to help me sleep peacefully.

 Afraid As soon as Dad walked into the house, he called my name. Then I remembered that I had not put my bike away.

 Trust As soon as Dad walked into the house, he called my name. I ran to give him a big hug.

 Trust Mother tells me that God will always watch over me and take care of me.

 Trust Fear the Lord (Deuteronomy 6:2).
