Also present were: Dr. Jon Pollard, Superintendent, Attorney Jarrett J. Ferentino, District Solicitor, Mr. Thomas Melone, Business Consultant, Eric Speece, Secondary Center Building Principal, David Pacchioni, Kindergarten Center Building Principal, Doug Piazza, Principal of Discipline, Brian Strazdus, Intermediate Center Building Principal, Jason Jones, Technology Director, Mike Bugelholl, Facilities Director, Denai Dymond and Mia Altavilla, Student Representatives.

#### Communications Report

Mr. Alberigi read the Communications Report.

1. Luzerne Intermediate Unit #18 submitting their meeting minutes of March 26, 2025.
2. West Side Career & Technology Center Joint Operating Committee submitting their minutes of March 24, 2025.
3. Chris Tomlinson, Soccer Coach, requesting permission to use the Primary Center field, gymnasium, lawn and parking lot for a Wyoming Area Soccer Camp fundraiser.
4. Attorney Thomas Campenni, Vice President of Wyoming Area Football Alumni Association, requesting permission to hold various activities.
5. Libby Krokos, Luzerne Intermediate Unit #18, requesting permission to use 8 classrooms at the Primary Center for the 2025 Extended School Year Program (ESY).
6. Dr. Jon Pollard, Superintendent, requesting facilities use on behalf of the Wyoming Area Foundation to conduct activities/fundraisers.
7. Employee #20324 submitting a letter of intent to retire.

#### Approval of Minutes

Mr. Campenni asked for approval of the minutes of April 29, 2025. All board members present voted aye.

#### Superintendent's Report

Dr. Pollard read his report.

1. The fourth graders at the Intermediate Center attended a virtual field trip at Brown Hill Farms in Tunkhannock. Students were treated to a tour of a working farm, including how corn is planted and harvested. This trip is part of the Remake Learning Days and is partnered with the Pennsylvania Friends of Agriculture Foundation.

2. As participants in the 2025 Leadership Northeast Impact Leadership in Education Program, Courtney Pentka and Courtney Wagner partnered together for their School Impact Project of revitalizing the Wyoming Area Primary Center Playground. They created and mailed letters requesting donations from local businesses, had their students draw/write thank you notes to all of the donors, and facilitated numerous fundraisers including: T-shirt sponsorships and sales, Nova Trampoline Park Jump Event, and Booyah! Wyoming, PA. In addition, they created and advertised an Amazon Wishlist for playground toys and equipment donations. They wrote a proposal for one of the local businesses that responded to our donation request letter, showing interest in partnering with us to offer their labor for the repairs and installation of new playground equipment.

The final project will be unveiled at the start of the 2025-2026 school year, which will showcase a playground that is safe, fun, and inclusive for all students.

Exeter, PA.

3. The 8<sup>th</sup> grade gifted students recently participated in the annual STEM Challenge sponsored by the LIU 18. Their prototype was labeled “GUTS”, the acronym for Geographical Underground Thermal Sensor. It is a two-part system that detects air pockets in the earth’s surface that could potentially cause devastating mine subsidence. The dual detection project consisted of a drone for monitoring air pockets from above the ground, and a land rover that would search for any unusual activity underneath the soil. Both devices could scan up to 300 feet below sea level. The main purpose was to not only discover these potential mine subsidence areas, but to then directly notify local agencies so that they can better assess the area and develop an action plan to mediate the possible tragedy. The students thoroughly researched this issue as it is very prominent in this valley. They became even more passionate about the topic after reading the article of the 2 year old Pittston girl’s fate who fell into a sinkhole while walking down the street with her family back in 1944. They also investigated what happened a year ago at Toby’s Creek in Luzerne, which led them to this idea of creating something that would help keep people and infrastructure safer. They are pictured here: Leo Seamans, Hugh Doran, Lilly Flynn and Abigail Dominick.

4. Under the Title IV - Building Strong Communities Grant, students from the Wyoming Area Intermediate Center participated in the Ukulele Club for the Spring Program. The students met once a week for 6 weeks and learned to play chord and melodies on the Ukuleles. With the funds from the grant, we were able to purchase 8 Ukuleles for the students to use. The group was instructed by Mrs. Becker and we would like to thank the administration for making this possible.

- 5. Nineteen Wyoming Area students participated in the 2025 Luzerne County Envirothon. One of our teams placed 4th overall out of 26 teams throughout Luzerne County, missing the podium by only a few points. Students competed in multiple categories including soils, wildlife, aquatics, forestry, and current issues. Congratulations!
- 6. Students at Wyoming Area recently completed Community Connections to Our Watershed - a year-long environmental education program hosted by DCNR. This year our students chose to conduct a water quality study on The Effects of Channelization on Hicks Creek. The students presented their research to around 20 schools from Luzerne and Lackawanna Counties along with environmental professionals at the forum finale on May. Students pictured below are: Addison Byers, Brady Kearns, Allison Tibel and Jesiah Weed. Congratulations!

- 7. Congratulations to the following students from the Wyoming Area Intermediate Center: Nora Gilligan, Philip Hando, and Sydney Quadrini for their selection and participation in the PMEA District 9 Band Fest. The students had the opportunity to participate in rehearsals and a performance with students from other schools around the area. The festival was held at the Tunkhannock Area School District. It was a wonderful opportunity and we would like to thank the Wyoming Area School Board and Administration for allowing us the opportunity to attend.

8. I would like to acknowledge Senior Mia Altavilla and Junior Denai Dymond for their outstanding service in representing the study body on the Wyoming Area School Board for the 2024-2025 school year. Congratulations Mia and Denai!
9. The K-Kids at the Intermediate Center completed many community service projects for the second half of the school year. They completed a random good deed for Good Samaritan Day. They made appreciations gifts for WAIC Paraprofessionals, Teachers, and Principals as well as our bus drivers. In addition, club members continue to organize the Clothes Closet, which has served over 40 students this year. K – Kids also volunteered their time with school-related projects. Great job!
10. The Wyoming Area Music Collaborative held a successful set of Sessions during the Spring Term. Students were able to create compositions in a variety of styles including Rap/Hip-Hop, Pop, and Avante-Garde (Spoken Word). Each student who attended was able to create a song that reflected their own personalities and ideas. Students sought out ideas and support from each other to further develop their musical ideals. Students also were able to incorporate various tools including midi keyboards and microphones.

Solicitor’s Report

Attorney Ferentino reported the Board met in executive session on May 13<sup>th</sup> to discuss our union negotiations, ongoing union negotiations, a particular component to the union negotiations. We did meet this evening with the teacher’s union. Our negotiation committee did meet with the professional union committee and along with the mediator from the state. We did receive an offer from the union in response to our last offer so we are whittling away toward a deal on our collective bargaining agreement. Nothing in stone yet but I’m happy to report that we are making progress. We also met in executive at 5:30 p.m. discussing ongoing personnel and pupil issues as well and upcoming bargain strategy.

Student Representative’s Report

Denai Dymond, Junior, reported that the junior board is planning for next school year. The students that are becoming juniors are putting in their applications for the 2025-2026 school year. The applications are due tomorrow and the campaigning begins next week and the elections are scheduled for June 2<sup>nd</sup>.

Mia Altavilla, Senior, reported that she was sad to say this is her last meeting and stated it’s been a pleasure serving for the past two years. Seniors are wrapping everything up. May 28<sup>th</sup> senior pictures at 8am in the gyms. May 29<sup>th</sup> is awards day at 9am. Senior picnic is at 11:00am that day. Scholarship Celebration will be held later on that day in the gym. May 30<sup>th</sup> is the elementary walkthrough at JFK, Montgomery and Tenth Street. Seniors are dismissed after Monday, June 2<sup>nd</sup> through Friday, June 5<sup>th</sup>. We have graduation practice at 8:45am in the auditorium. Class Day is June 3<sup>rd</sup> in the auditorium beginning at 11:50am. June 5<sup>th</sup> is graduation parade, Senior sunset and the all- night party. The parade beings at 7pm leaving from the gym parking lot. June 6<sup>th</sup> is graduation practice at 10:30am at the stadium and procession for graduation begins at 7pm. Everybody receives eight tickets if it’s outside or inside. And, congratulations to my class.

Mr. Campenni thanked both reps for their time and keeping the board updated.

At this time, Mr. Tom Melone, Business Consultant, gave a presentation on the 2025-2026 school budget.

Motion by Mr. Butera, second by Mr. Kopko, to accept the finance report.

On the Question: Marilyn Hoover asked “What cost cutting measures is the board working on to pass a budget without a tax increase?” Mr. Campenni responded there are a few things that are in the agenda that we’re looking at: collapsing a few classes and other ways of making cuts. Dr. Pollard responded we are bringing back an autistic support class at the Primary Center. That should be a reduction in cost and we’re creating an autistic support class at the Kindergarten Center to avoid sending students out to outside placements. Dr. Pollard stated he has a meeting with Mrs. Anuszewski, Special Ed Director, to see how many students are placed outside the district at private placements to see what students would be candidates to return as well as the possibility of creating our own internal programs that that would result in a reduction costs. Mr. Alberigi also stated we are looking into incentives for early retirement for our teachers. Mr. Campenni stated we are trying to get students to come back to brick and mortar from cyber school to reduce the costs.

Roll Call: Mr. Kachmarsky voted no on item #13 and yes on the rest. Mr. Supey, yes, Mrs. Valenti, yes, Mrs. Kunkle, Yes, Mrs. Gazda, yes, Mr. Kopko, yes, Mr. Butera, no on item #13 and yes on the rest. Mr. Campenni voted no on item #13 and rest to the rest. Mr. Alberigi voted no on item #13 and yes to the remaining report.

Motion passed.
