WHAT IS A SCHOOL-PARENT COMPACT?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how parents and teachers can communicate about student progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom

JOINTLY DEVELOPED

The parents, students, and staff worked together and shared ideas to develop the school-parent compact. Teachers met with the Family Engagement Coordinator to provide suggestions on how they could provide parents with tools they need to help students succeed. Parents provided valuable feedback on their needs to help their students. Students completed surveys to add ideas for the compact. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs.

Stakeholders, including parents, are welcome to provide input on the compact at anytime during the school year. All feedback will be collected and reviewed during the annual revision meeting. Any stakeholder may call 912-384-3187 or visit our school website, <https://eastsideelem.ga.cce.schoolinsites.com>, for more information on the school-parent compact.
