2021-2022 Budget Message

Public school districts across the country have experienced a year like no other due to the COVID-19 pandemic, causing districts to shift to distance learning. Seaside School District adapted quickly and developed a comprehensive distance learning (CDL) program as well as a fully online program, known as Online Thrive.

The Seaside School District 2021-2022 budget includes the multiple resources provided by federal and state grants designed to support our transition back to full time, onsite instruction that meets all health and safety requirements.

The Student Investment Act (SIA) is projected to be fully funded and allows us to support the programs we developed through our community engagement process last year, but were unable to implement due to reduced funding. We will meet with the community in May to outline this plan in further detail and gather additional feedback.

The Elementary and Secondary School Emergency Relief (ESSER) grants have enabled us to purchase supplies, hire additional staff, and implement the needed technology to deliver instruction both virtually and in our buildings.

The priorities of the Seaside School District for the 2021-2022 include:

- Using our resources to bring all students safely back onsite full time;
- Expanding our intervention programs that focus on unfinished learning from the past year, and;
- Continuing our commitment to our Strategic Plan that by June 2024, all student prek-12 will be on track to graduate and be prepared with a plan beyond high school, and that by June 2024, all students prek-12 will develop the social and emotional skills to be positive community members.

With all the challenges our students, staff, families, and community have experienced this year, our dedication to students has never faltered. The Seaside School District remains committed to our core values of equitable, safe learning environments, an engaging well-rounded education, and a focus on collective wellness and community partnerships. Our students deserve it!

Sincerely,

Susan Penrod
Budget Officer

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

This measure authorizes Seaside School District 10 to levy a property tax in the amount of \$0.52 per \$1,000 of assessed value each year for five years. The taxes would be used for District operations. Without the additional revenue, the District would have to reduce staff and services.

The proposed rate is estimated to raise approximately \$1,521,714 in 2021-2022, \$1,571,989 in 2022-2023, \$1,623,696 in 2023-2024, \$1,676,875 in 2024-2025, and \$1,731,568 in 2025-2026, for a total of \$8,125,842 over five years. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.

EXPLANATORY STATEMENT:

This levy is a renewal of the Seaside School District 10 (Seaside, Gearhart, Cannon Beach) five-year local option tax approved by voters in 2015. The local option rate would remain unchanged from current level of \$0.52 per thousand dollars of assessed value.

A local option tax is a temporary property tax that is used to fund school district operations. The Board of Directors for the District is seeking the renewal of the current five year local option tax approved by voters in November, 2015. This measure would renew the local option levy at the same rate; current tax rates will not increase as a result of this measure.

The District would use the local option tax revenues toward smaller class sizes and retaining current programs and services for students. The local option tax would be a supplemental funding method to assist the District in avoiding budget reductions. This tax would cost property tax payers \$0.52 per thousand of assessed value each year for five years and would not exceed the Measure 5 limit of \$5 per thousand of real market value. The average homeowner in the District with a home assessed at \$200,000 would be assessed \$104.00 annually. The renewal of the local option tax is estimated to raise approximately \$1,521,714 in 2021–2022, \$1,571,989 in 2022–2023, \$1,623,696 in 2023–2024, \$1,676,875 in 2024–2025, and \$1,731,568 in 2025–2026 for an estimated total during the five year period of \$8,125,842. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.

ADOPTED by the Board of Directors of Seaside School District 10, Clatsop County, Oregon, this 11th day of August 2020.

A RESOLUTION OF SEASIDE SCHOOL DISTRICT, CLATSOP COUNTY, OREGON, CALLING A MEASURE ELECTION TO SUBMIT TO THE ELECTORS OF THE DISTRICT THE QUESTION OF CONTRACTING GENERAL OBLIGATION BONDED INDEBTEDNESS FOR SCHOOL SAFETY IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$99,700,000 TO FINANCE CAPITAL COSTS; AND RELATED MATTERS

Whereas, Seaside School District serves 1,550 students from communities across South Clatsop County;

WHEREAS, the Board of Directors (the "Board") of Seaside School District, Clatsop County, Oregon, (the "District") recognizes three of four school buildings in the District are located near sea level, endangering all students and school staff in the event of a tsunami;

WHEREAS, the Board understands these three schools are rated by the Oregon Department of Geology and Mineral Industries (DOGAMI) as likely to experience catastrophic collapse in the case of an earthquake;

WHEREAS, the average age of these three school buildings is 65 years old and they are experiencing significant deterioration needing attention including: rusted pipes, leaky roofs, old electrical wiring, air and heating, single pane windows, and out-of-date technology;

WHEREAS, the school board and community are concerned about additional school safety issues, including inadequate fire protection systems at schools, presence of asbestos and lead in some sections of buildings, and lack of improved school building security such as alarms, cameras and classroom door locks;

WHEREAS, the school board has determined the need to relocate these three schools as follows: Build a new middle school and high school on higher land, safely outside the tsunami inundation zone, and combine two elementary schools at Seaside Heights Elementary School to which a new addition will be built and portable classrooms eliminated as more particularly described in the notice of bond election attached hereto as Exhibit A (the "Project");

WHEREAS, in connection with the Project, the District has evaluated the need for safety improvements, the joint funding for safety improvements with other public and private entities and the funding of safety improvements as required by ORS 332.176;

WHEREAS, relocating and rebuilding schools will provide much safer schools for students, teachers and school staff; and new and expanded schools will provide up-to-date learning environments so students learn with modern technology and equipment, and graduate ready for college and career;

WHEREAS, over the past two years it has cost the Seaside School District over \$500,000 a year above regular maintenance costs to patch together roofs, plumbing and electrical problems in schools in order to temporarily hold together out of date buildings. As buildings age and systems continue to deteriorate, the cost increases. These are dollars that could be invested in the classroom for smaller class size, more course offerings, and/or additional classroom assistants;

WHEREAS, new schools can also serve as a community shelter for all area residents in the event of an earthquake or tsunami;

WHEREAS, Public Schools are essential components of a strong community and have a considerable impact on local property values;

WHEREAS, the costs of relocating and rebuilding the District schools and creating a community shelter are estimated to not cost more than \$99,700,000;

WHEREAS, the State of Oregon makes available some limited matching funds for school building expenses if a bond measure is approved by voters; and Seaside School District is first on the waiting list to receive \$4,000,000 in matching funds towards construction of the relocated schools should the voters approve this measure;

WHEREAS, the District anticipates incurring expenditures (the "Expenditures") to finance the costs of the Project and wishes to declare its official intent to reimburse itself for any Expenditures it may make from its general funds on the Project from the proceeds of voter-approved general obligation bonds which may be issued as tax-exempt obligations or qualified tax credit bonds;

WHEREAS, ORS 328.205, as amended, subject to voter approval, authorizes the District to contract bonded indebtedness to provide funds to finance the costs of the Project and to pay bond issuance costs; and

WHEREAS, the school board will conduct regular audits and oversight of the construction projects associated with bond expenditures to ensure all funds go as intended;

NOW, THEREFORE, the Board of Directors of Seaside School District No. 10, Clatsop County, Oregon, resolves as follows:

1. The measure election is hereby called for the purpose of submitting to the electors of the District the question of contracting general obligation bonded indebtedness in the name of the Seaside School District in an amount not to exceed \$99,700,000 (the "Bonds"). Bond proceeds will be used to finance the Project and pay all Bond issuance costs. The Bonds shall mature over a period of not more than thirty-one (31) years from the date of issue and may be issued in one or more series.

2. The measure election hereby called shall be held in the District on the 8th day of November, 2016. As authorized by the County Clerk of Clatsop County, Oregon, and the Oregon Secretary of State, the election shall be conducted by mail pursuant to ORS 254.465 and 254.470.

3. The occurrence of one or more of the following shall constitute an Event of Default under this Resolution and the Bonds:

a. Failure by the District to pay Bond principal, interest or premium when due (whether at maturity, or upon redemption after a Bond has been properly called for redemption);

b. Failure by the District to observe and perform any covenant, condition or agreement on its part to be observed or performed for the benefit of Owners of Bonds, for a period of sixty (60) days after written notice to the District by the Owners of fifty-one (51%) percent or more of the principal amount of Bonds then Outstanding specifying such failure and requesting that it be remedied; provided however, that if the failure stated in the notice cannot be corrected within such sixty (60) day period, it shall not constitute an Event of Default so long as corrective action is instituted by the District within the sixty (60) day period and diligently pursued, and the default is corrected as promptly as practicable after the written notice referred to in this paragraph; or,

c. The District is adjudged insolvent by a court of competent jurisdiction, admits in writing its inability to pay its debts generally as they become due, files a petition in bankruptcy, or consents to the appointment of a receiver for the payments.

The Owners of fifty-one (51%) percent or more of the principal amount of Bonds then Outstanding may waive any Event of Default and its consequences, except an Event of Default as described in (a) of this Section.

Upon the occurrence and continuance of any Event of Default hereunder the Owners of fifty-one (51%) percent or more of the principal amount of Bonds then Outstanding may take whatever action may appear necessary or desirable to enforce or to protect any of the rights of the Owners of Bonds, either at law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Resolution or the Bonds or in aid of the exercise of any power granted in this Resolution or in the Bonds or for the enforcement of any other legal or equitable right vested in the Owners of Bonds by the Resolution or the Bonds or by law. However, the Bonds shall not be subject to acceleration.

No remedy in this Resolution conferred upon or reserved to Owners of Bonds is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Resolution or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. To entitle the Owners of Bonds to exercise any remedy reserved to them, it shall not be necessary to give any notice other than such notice as may be required by this Resolution or by law.

SECTION 12. DEFEASANCE

The District may defease the Bonds by setting aside, with a duly appointed escrow agent, in a special escrow account irrevocably pledged to the payment of the Bonds to be defeased, cash or direct obligations of the United States in an amount which, in the opinion of an independent certified public

accountant, is sufficient without reinvestment to pay all principal and interest on the defeased Bonds until their maturity date or any earlier redemption date. Bonds which have been defeased pursuant to this Section shall be deemed paid and no longer outstanding, and shall cease to be entitled to any lien, benefit or security under this Resolution except the right to receive payment from such special escrow account.

SECTION 13. ESTABLISHMENT OF FUNDS AND ACCOUNTS

The following funds and accounts shall be created into which the proceeds of the Bonds shall be deposited, which funds and accounts shall be continually maintained, except as otherwise provided, so long as the Bonds remain unpaid.

a. Debt Service Account. The District shall maintain the debt service account in the District's debt service fund for the payment of principal, premium, if any, and interest on the Bonds as they become due. All accrued interest, if any, and all taxes levied and other moneys available for the payment of the Bonds shall be deposited to the debt service account.

b. Project Fund. The District shall maintain the project fund for the purpose of accounting for and paying all costs of the projects and the costs related to the preparation, authorization, issuance, and sale of the Bonds. Any interest earnings on moneys invested from the project fund shall be retained in the project fund. The District's share of any liquidated damages or other moneys paid by defaulting contractors or their sureties will be deposited into the project fund to assure the completion of the projects.

Upon completion of the projects and upon payment in full of all costs related thereto, any balance remaining in the project fund shall be deposited to the Debt Service Account for payment of debt service.

SECTION 14. PROFESSIONALS

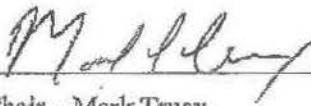

The District hereby affirms Hawkins Delafield & Wood LLP as bond counsel for the issuance of the Bonds and Piper Sandler & Co., as underwriter or placement agent.

SECTION 15. RESOLUTION TO CONSTITUTE CONTRACT

In consideration of the purchase and acceptance of any or all of the Bonds by those who shall own the Bonds from time to time (the "Owners"), the provisions of this Resolution shall be part of the contract of the District with the Owners and shall be deemed to be and shall constitute a contract between the District and the Owners. STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING **

The Seaside School District 2021-2022 budget includes the multiple resources provided by federal and state grants designed to support our transition back to full time, onsite instruction that meets all health and safety requirements. The Student Investment Act (SIA) is projected to be fully funded and allows us to support the programs we developed through our community engagement process last year, but were unable to implement due to reduced funding. We will meet with the community in May to outline this plan in further detail and gather additional feedback. The Elementary and Secondary School Emergency Relief (ESSER) grants have enabled us to purchase supplies, hire additional staff, and implement the needed technology to deliver instruction both virtually and in our buildings. The priorities of the Seaside School District for the 2021-2022 include: • Using our resources to bring all students safely back onsite full time; • Expanding our intervention programs that focus on unfinished learning from the past year, and; • Continuing our commitment to our Strategic Plan that by June 2024, all student prek-12 will be on track to graduate and be prepared with a plan beyond high school, and that by June 2024, all students prek-12 will develop the social and emotional skills to be positive community members.
