PRINCIPAL'S MESSAGE

Good Day Moser Families!

Hope all of our families are having a fun summer and creating lasting memories!

Together with our teachers, and staff, we want to welcome our students and school community to Moser School. We are ready to engage students in meaningful learning experiences, and are confident that together we will have an enriching 2023-24 school year.

Our goal at Moser School is to work collaboratively to promote a culture of safety and respect, and critical thinkers. We pride ourselves in being a community of learners where staff and students look for opportunities to learn from each other. We are committed to high academic expectations, mutual respect, and social responsibility.

The Moser staff has high expectations for all of our students and even higher expectations of ourselves. We will continue to dedicate our focus to improving student learning for all. We will work diligently to discuss research-based strategies to meet the needs of our students. We will enhance student learning in every classroom by strengthening our instruction focused on an aligned curriculum, data collection and analysis, and assessments. We are committed to

Please keep in mind that students must be free of a fever or vomiting for 24 hours prior to returning to school. Additionally, please refer to the Moser Student Handbook for attendance policies. I will be touching base with those parents who have students with medical conditions prior to the start of the school year. If you have any questions or concerns, please email me at asasoukj@rockyhillps.com or call at 860-258-7771.

REPORTING YOUR STUDENT'S ABSENCE AND TARDY

We are piloting a daily absence and tardy form to provide our families with an efficient tool to report to school staff. This vital information will allow the Moser school staff to plan accordingly to support your family and student needs.

There are two sections to the form. Please complete the first section by submitting your email and the school password. **The password was sent to families via School Messenger.**

The password was created for accountability and safety purposes. **Only parents and guardians of Moser students identified in PowerSchool should have access to this password to complete the form.** Please do not give the password to any other adult or child.

Section two will consist of basic absent and tardy questions. We will certainly follow up with you if any questions or concerns arise. Please use the form to report an absence and tardy for one student. The form link will also be included in our Moser website. Here is the form for your use: <https://forms.gle/j81MR8shuWfjpEXKZ>
