WILLIAMSBURG COUNTY SCHOOL DISTRICT JOIN WITH MICROBURST LEARNING TO HIGHLIGHT EDUCATION AND INDUSTRY

Microburst Learning is working with SC Commerce to highlight the partnership between Education and Industry. The Microburst Learning team filmed Williamsburg County School District team members and industry professionals to gain more perspective on how the two can work together. The filming took place on February 21st at Embroidery Solutions in Kingstree, SC. The day started with a tour of the Embroidery Solutions facilities and an understanding of what is produced and the different stages of development of their products. Several members of the Williamsburg County School District team were interviewed concerning the benefits of partnerships between the school district and the local industry.
