

WAO Construction Update

June 2025

Well, it was a fast and furious transition at the end of the school year for everyone to get rooms/areas cleaned out & moved. Of course, the most recent add-ons to the building project, ramped things up another notch!

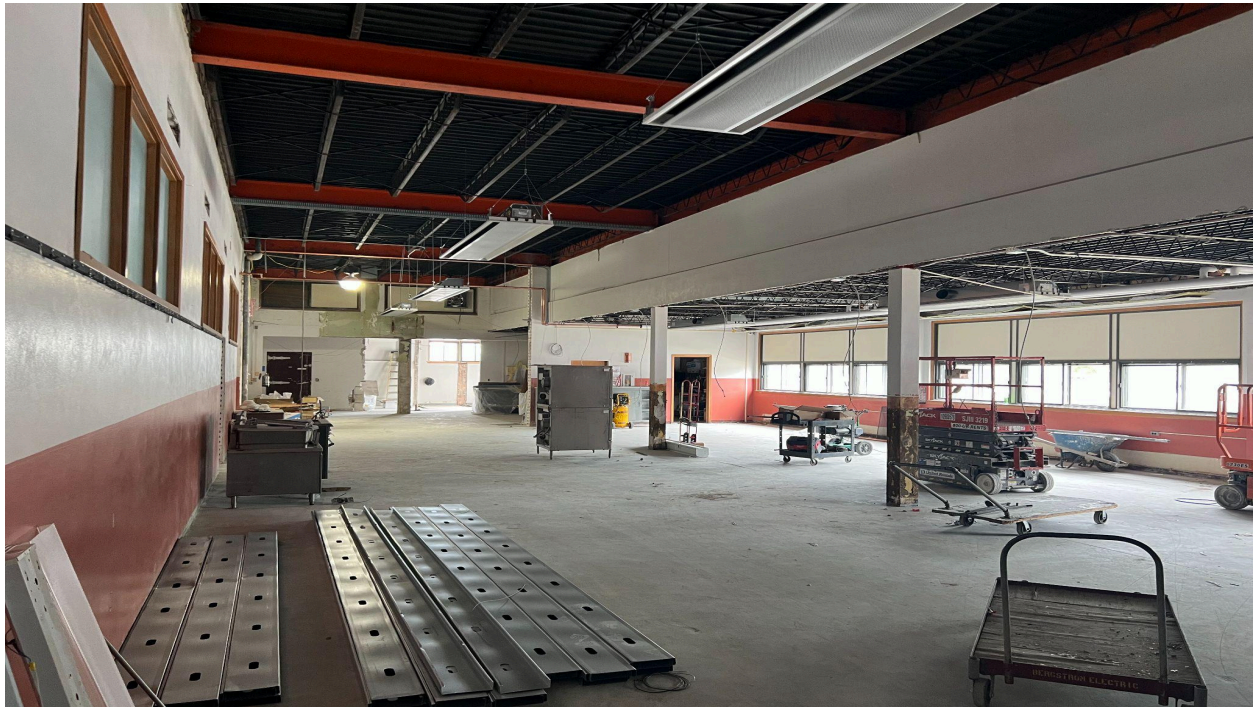

For the most part, everything was ready for the demo to start right away. Big thanks to both of our principals and all of the WAO staff for your leadership and effort! Special thanks to our WAO custodians...they are simply the BEST!!!

As you can imagine, there is a lot going on everywhere these days! I Hope everyone is enjoying the summer so far!
