

Why you should take advantage of the free school meals being offered:

- It extends your food budget and saves you time on meal prepping
- It's comforting and familiar to your kids to have meals at school
- It's confidential and not just for low income families
- You're helping the local food service program stay financially afloat

*The USDA is covering the cost of meals through SY 2021-2022

You are not taking the meals away from someone who needs it more - they are for all

Effective Friday, August 6, 2021

ALL STUDENTS
at Vidalia City Schools
will receive
free breakfast and lunch meals
for the 2021-2022 school year!!

This will allow the school nutrition program to serve nutritious and delicious meals to all Vidalia City School students who attend our schools at no cost to families.

We understand that these are trying times for everyone and we are hoping this will relieve some of the financial hardship that is being felt by many in our community. Your kids should not come home hungry if they pick up everything we offer on our lunch lines!

Please encourage your students to participate in our school lunch program at school!! Surprisingly, a large percent (%) of our enrolled students **DO NOT** take advantage of our breakfasts and lunches.

Don't stop after school to purchase food for your kids!

Tell them to eat at their School Cafeteria!!

Our food is good and plentiful!!
