READ THESE NOTES.

If the district is fractional, write the names of the children in each township separately under the name of the township, beginning with that township in which the schoolhouse or site is situated. A separate statement must be made to the clerk of the several townships in which the district is in part situated, giving the number of children five years of age and under twenty years residing in that part of the district lying within their respective townships. If possible make your list alphabetical.

If there is not a line on this form sufficient to contain the names of all the children in the district, write the names on the blank lines provided for this purpose. If the names of the children are not written in the 7th or 8th grade, in that case, a child cannot be from that district.

THIS BLANK IS DESIGNED TO BE USED WITH REPORT FORM 2 IN DISTRICTS WHERE CENSUS IS OVER 100.
