Free Internet for Students

1. Charter announced that it would offer free high-speed Spectrum Internet service and Wi-Fi for 60 days to households with students taking online classes because of the coronavirus outbreak. Students can call (844) 488-8395 to enroll. Installation fees will be waived for new student households, the company said. Spectrum said regular pricing will take effect at the end of the 60-day period if a customer doesn't cancel or change the service.
