

# Ms. Mann's Class News

**19-22, 2025**

## Important Dates

**May 20-2<sup>nd</sup>** Grade Honor's Day/Class Celebration

**10:30** classroom awards and Celebration in our classroom E-102

**11:30** Grade level Honor's Day Program in gym

Students should dress nicely for the ceremony and pictures. They should bring a towel for sitting on during class celebration. If you have concerns about their clothes getting soiled with refreshments, please send or bring a large tee-shirt to wear over their Honor's Day Award clothes.

Students may be checked out in the classroom before the 11:30 program.

**May 22**-Last Day for Students. This is a **half day**. Dismissal is at **12:00**.

## What we are studying this week

**Social Studies**-We are completing Time Capsules. This has included all subjects. The students have enjoyed this part of our class studies.

**Science**-Reviewing animals and plants

**Language Arts**-Memory Books

**Math**-Building with Patterns, counting money

**Writing**- Listing one thing they learned or enjoyed in each subject.

Please have your child continue to read while out for summer break. In addition, please continue to practice subtraction with regrouping. It is important that they do not lose these skills over the break. You are an amazing group of parents. It has been the utmost joy teaching your children this year. I hope they will remember that I love them very much and will miss them as they move on to ARIS. My heart and best wishes will go with them.
