Dear Stanfield Families,

We are aware of the recent events at Casa Grande Legacy Traditional School, and while these events did not occur within our district, they serve as an important reminder of the need for continued vigilance and partnership when it comes to student safety.

The safety and well-being of our students and staff remain our highest priority. We work closely with local law enforcement and continually review our safety procedures to ensure our campuses remain secure. At the same time, maintaining a safe community is a shared responsibility.

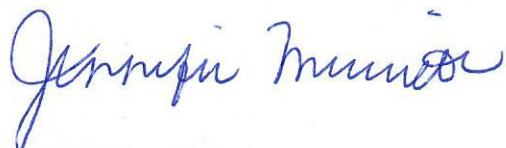

We encourage families to:

- Talk with your children about reporting concerns or unusual behavior to a trusted adult.
- Reinforce the importance of saying something if they see or hear something that does not feel right.
- Stay informed through official school communications and avoid spreading unverified information.
- Ensure that children within your home do not have access to weapons.

As a Stanfield community, we are strongest when we look out for one another and remain attentive, supportive, and proactive. Please know that we take all concerns seriously and will communicate promptly should there be any information that directly impacts our school.

Thank you for your continued trust, cooperation, and commitment to keeping our students safe.

Sincerely,

Jennifer Murrieta
