

This is Holly McNider from Prattville Primary School. I would like to share a few reminders:

- Always remember if your child is absent you must send in a parent note or an excuse from the physician. This allows us to code your child's absence excuse and avoid truancy concerns.
- We have seen a slight improvement with check-in and check-out this week. Thank you for your help. This week I am going to reward all homeroom classes that have no unexcused check-ins or check-outs with a popsicle party on Friday. Please help your student be on time every day and remain at school all day. This habit sets the tone for the importance of school.
- Students and staff will be focusing on Habit #2 this week, begin with the end in mind. We will focus on how important it is to know what you want before you do it.
- There will be no special snack on Friday this week.
- Our 2nd graders will be traveling to the YMCA this week for their water safety lessons. Please make sure to send extra clothes with your child on their assigned day.
- On Tuesday of this week, your child will bring home a progress report. This report will inform you of your child's current grades in reading, math, and language arts. Please sign those and return them on Wednesday. If you have questions or concerns, contact the teacher.
- Currently, Autauga County Schools are encouraging all students, staff, and visitors to wear a mask. However, please understand that this is a fluid situation and decisions continue to be adjusted to keep everyone safe. We are now conducting contact tracing when needed and if your student wears a mask correctly and consistently, they will be less likely to be required to self isolate if they are determined to be exposed. Always contact our school nurse with any Covid 19 questions or concerns.
- Thank you for your support.
