Mr. Kermit McAdory, Director

Mrs. Jacqueline S. McDavis, Counselor

Ms. Jacqueline Graham, Student Service Coordinator

August 16, 2021

To Leland community organizations and businesses:

This is a letter of commitment which will introduce you to a new Program of Study, Work Based Learning (WBL), to be offered by the Leland Career and Technical Center during the 2021-2022 school year. This letter gives you the opportunity to make a commitment to collaborate with the Leland School District as a community organization or business.

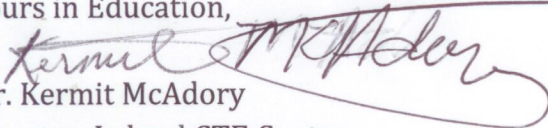

Your participation is needed to carry out the goals of Work Based Learning. The WBL course give Mississippi high school students the opportunity to earn academic credit for their authentic work experiences. WBL is an "umbrella" term used to identify activities which collaboratively engage employers and schools in providing structured learning experiences for students. These experiences focus on assisting students to develop broad, transferable skills for postsecondary education and the workplace.

Your signature below indicates that you will participate in LCTE Center's Work Based Learning Program as a place of business. We encourage you to respond as soon as possible to ensure a smooth transition from planning to reality.

(Name of Business)

(Signature of Business Representative)

Yours in Education,

Mr. Kermit McAdory
Director, Leland CTE Center
