

Administrative Regulations (Rules)

The Board may delegate to the Superintendent the function of identifying required actions and designing the detailed arrangements under which the schools will be operated. These rules and these detailed arrangements will constitute the administrative regulations governing the schools. They must be in every respect consistent with the policies adopted by the Board.

The Board of Education does not adopt administrative regulations unless specifically required to do so by law, or unless requested to do so by the Superintendent. Adoption and amendment of such Board of Education adopted regulations shall be by the same procedure as that specified for policies in 9311.

The Superintendent is responsible for the formulation, issuance, amendment and deletion of administrative regulations to implement the policies of the Board. The Superintendent shall determine the need to bring to the attention of the Board any new, revised or deleted administrative regulations.

The Board of Education reserves the right to review and direct revisions of administrative regulations should they, in the Board of Education's judgment, be inconsistent with the policies adopted by the Board of Education. If the Board directs the Superintendent to issue, amend or delete administrative regulations, it shall do so upon majority vote of all members in attendance at a meeting provided that prior notification of such proposed revision has been described in writing in the call of the meeting, or upon majority vote of all members of the Board when no such written notice has been given.
