

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, 360-785-3460 [kmacdonald@evalinesd.k12.wa.us](mailto:kmacdonald@evalinesd.k12.wa.us)

**Thank you  
 to all our parents  
 and guardians for  
 attending your  
 student's  
 conference this week. It was  
 great to see you all and it is a joy  
 to have your student(s) here at  
 Evaline school!**

## Inclement Weather Conditions

In the event of snow, ice or other inclement weather conditions it may be necessary to adjust school starting time or cancel classes. In these kinds of situations please listen to your local radio stations and News Channels. We try very hard to make decisions by

6:30a.m. Once the decision is made it is posted to the Flash Alert website and they send it out to all local TV and Radio Stations. You can also go onto [flashalert.net](http://flashalert.net) and check for delays and closures there. If the alert states that we will be on snow routes, this means that there are roads the bus will not go down (**Please see attached flier for our snow routes and info**). If you DO NOT hear any information regarding Evaline School you must assume school will be in session as usual. In the case of unplanned early dismissals due to emergencies students will either be transported home on the bus or will need to be picked up by their parent/guardian right away. This would include instances of sudden loss of power, water, or accumulation of snow. ***In the event of a late start. Late start days will always be two hours late. Therefore school will start at 10:30am. and the bus will be picking up students two hours later than the normally scheduled pick up time. There will be no breakfast served on late start days.***

## SURPLUS

The Board has approved the surplus of student desks, file cabinets and other supplies. Please call the school if you are interested in browsing these items.

## Important Dates!!

### NOV.

Sun. 6th: Daylight Saving Time ends, set clocks one hour back

Mon. 7th: Wreath Orders Due!

Fri. 11th: No School, Veterans Day

Tues. 15th: School Board Meeting, 6:30pm

Wed. 23rd: 12:00 Dismissal

## Wreath Orders ASB Wreath Fundraiser

Evaline Associated Student Body is selling Holiday wreaths and centerpieces crafted by Country Garland. All earnings are used for a variety of student activities. Each family's fundraiser packet was sent out a couple weeks ago. Please read the letter in the fundraiser packet for full details. If you need a new packet please call the school office. \* **All orders MUST be turned in with money by November 7th!** Thank you!

## Dolly Parton Imagination Library

Please check out this great program that is being offered in our county. We hope you take advantage of this opportunity for your younger children. This program delivers a brand new book monthly to participants ages 0-5. You can learn more about the Dolly Parton Imagination Library by visiting [DollyParton's Imagination Library | United Way of Lewis County \(lewiscountyuw.com\)](http://DollyParton'sImaginationLibrary|UnitedWayofLewisCounty.lewiscountyuw.com)

## Evaline Apparel Order

Here is the link for this year's apparel order. All orders must be placed and paid for through this online store. The deadline is November 10th. The Booster Club will pick up all orders when they are done and have them at the school to distribute. Please go to :

[Evalinelions2022.itemorder.com](http://Evalinelions2022.itemorder.com)

to place your order.

Thank you, Evaline Booster Club

## THANK YOU Booster Club for our super fun visit to the Pumpkin Patch!!

## THANK YOU to the Booster Club for putting on a great Halloween party and THANK YOU to all our parents/guardians that helped out!! A great big THANK YOU to our AWESOME judges from Cardinal Glass!

## Kindergarten

Mrs. Tinnin

This week we are reviewing letters we already learned. Your child should know the sounds for: a, c, d, g, i, m, t, and n. We are working on sounding out words with the letters we already learned. Next week we will continue to learn about the five senses. Everyone is so excited to learn about how our senses help us in our everyday lives.

We are finishing up our unit learning about the numbers 6 through 9. Next week, we will take a day to review before we take the pre-test and then the chapter test. Because of half days, I wanted to give everyone a chance to get back into the rhythm and do their best on the test. Our next chapter is all about the number 10!

It was fun meeting with everyone to discuss all the learning and growth that is happening so far this year. Thank you for taking the time out of your busy schedules to meet with me.

## First and Second Grade Explorers

Mrs. Mittge

Thank you families for joining me for conferences this week! It is such a gift to partner with you and your child this school year!

I am eager to resume a regular learning week next week!

## Third and Fourth Grade Classroom

Mrs. Mars

It was so great to see everyone at conferences. I am so glad I can partner with you to help your child grow!

Fourth graders have continued to work on their double digit multiplication skills. We are nearing the end of this chapter but are slowing down to allow students to fully master the content. Students would benefit from additional practice on this skill at home. Third graders finished their introductory chapter into multiplication this week with every student scoring an 80% or above on the end of chapter test! I have been absolutely amazed with the foundational skills they already had coming into the chapter that they just didn't have the word multiplication to describe it with. Starting next week 3rd graders will be saying goodbye to their subtraction karate math sheets and hello to multiplication.

Please continue to check in with your child on their nightly reading and signing their reading log.

## Fifth and Sixth Grade Classroom

Mr. Burlingame

This week started with a hugely successful Halloween party that the kids really enjoyed. They played games, did crafts, decorated cookies, and watched a video on bats while eating popcorn. A big thank you from Mr. B's 5th and 6th grade class to the boosters for putting this event on. We are really thankful that things are back to normal enough to be able to have the public back in the school where events like this can happen again.

Speaking of events that are returning to Evaline, our Christmas Play is back on for this year. This is a long running tradition that was interrupted by COVID and it is absolutely wonderful that we can again put our play on. Parents please check your newsletter folders for more information as it becomes available.

Thank you to all the parents and grandparents that came to conferences this week. It is great to be able to chat with you about the progress so far of the student you entrust to us every day.

## 2nd Annual Evaline Holiday Food Drive

*As we enter the month of November we are turning our focus from the character traits of Respect and Responsibility, to the character trait of Gratitude in SEL. Last year, our classes greatly enjoyed applying the skills and knowledge learned regarding these first three character traits toward our first ever holiday food drive. We set a goal for each class to donate a minimum of one item per student in each classroom, and our students were excited to not only have every class make that goal, but we had several go above and beyond it. Our 3rd and 4th graders then delivered the donation to the local food bank and had the opportunity to learn more about the role a food bank plays in a community.*

*With students already asking this fall if we were going to have a food drive once again, and sharing how eager they were to be a part of this project, we contacted the Winlock Vader food bank to see if we could partner with them again this year to donate items that would be needed by members of our community this fall.*

*As a result, we are excited to announce that we will be holding our 2nd annual food drive*

*beginning Monday, November 14 through Wednesday November 30th. we will be accepting nonperishable food items in each classroom which are in their original labeled boxes/cans prior to their expiration dates. Though they will gladly accept all types of food, we are particularly wanting to provide some of the items that the food bank has shared they tend to run low on which includes the following: personal hygiene items such as shampoo, soap, toothpaste and deodorant, cat food, and "easy meal makers" such as hamburger helper kits.*

*When each classroom reaches their goal for the number of items turned in, each student will get a holiday themed sticker activity as a thank you and a reminder for their hard work, generosity, and kindness. So, as we enter this season of being thankful, let us also consider how we can give back and lend a helping hand in our community.*
