*Programming Guide and Sign up Information*

## Page High School- After School Programming

Dear Parent/Guardian:

This year we are offering after school programming for our students. This programming offers a safe and supervised place for students to learn after the school day is over. With the programming, a student has access to an after school snack as well as transportation at no cost. In order to plan for staffing and learning experiences, we ask that you register for our programming as soon as possible. Spots are limited; therefore, some students may be placed on a waiting list.

The attached packet provides you information about transportation, food service, and programming. Everyday attendance is expected; please commit to all days of the program. Take a look at your calendar to ensure the program dates work with your family's schedule.

Sign ups are happening now! Use the QR code provided below to sign up your child. **The deadline for sign ups is August 11, 2023.** A school staff member will follow up by phone to confirm enrollment once the application is received.

Schedule:

- When: After School:
  - August 21, 2023 - May 9, 2023 - 3:00 pm to 4:30 pm
    - Monday, Tuesday, Wednesday, and Thursday
    - **No programming the weeks of September 18-21 and February 26-29**
- Where: Page High School
- A no cost after school snack is served from 3:00 pm to 3:15 pm

## **Program Offerings**

**Begins August 21, 2023: After School- Tutoring** students learn with certified content teachers to accelerate learning and close learning gaps. Students are placed in tutoring for a 6-9 week session and progress is monitored.

**Begins August 21, 2023: After School- Credit Recapture After Hours** students are assigned course work to recapture credits in order to get back on track for graduation. Students are under the supervision of a certified teacher who will monitor progress, tutor when possible, and proctor assessments.

**Begins August 21, 2023: After School- ACT Prep** students engage in a 4-6 week session with the goal of increasing their score on the ACT through the use of test taking strategies and content practice. The programming is taught by a certified teacher with experience and training in ACT test preparation.

**Begins August 21, 2023: After School- Yearbook/Journalism** students engage in learning around speaking, writing, and photography and ultimately produce the annual Sand and Sage PHS Yearbook. Think of this as the Yearbook Club.

## **Attendance Expectations and Procedures**

Attendance is expected everyday of a program. If a student enrolls in a program and doesn't show up for programming or a student misses more than 3 days of programming, the school will make efforts to contact the family. If contact is unsuccessful, the school will open the spot for a student on the waiting list to attend. Please keep contact information up-to-date with your child's school to ensure communication gets through.

## **Behavior Expectations and Procedures**

We aim for engaging learning environments during programming. In order to achieve this, we expect our students to come to programming ready to participate and learn. The school will utilize their established Code of Conduct in order to deliver engaging learning environments for all students. The school will also utilize their established procedures for intervening on and addressing behavior issues that do not meet the Code of Conduct.

## **Transportation Information**

### **After School Pick Up**

**After School programming** students are to be picked up at the front of the school no later than 4:30pm.

### **After School Bus Routes**

The Page Unified School District offers transportation after school to all eligible students approved to ride; however, the route information is different from the regular school route. If your child will be riding the 4:30 Activity Bus for the first time, please familiarize yourself with the following schedules and service areas to facilitate the pickup of your children. Make sure to select your primary method of transportation on the enrollment form. Use route information below to make this decision. If your transportation method needs to change, contact your school to communicate the changes. Depending on the timeliness of your communication, the request may or may not be possible.

## Page High School - After School Tutoring

Dear Parent/Guardian:

Page High School is taking steps to close learning gaps in regards to communication skills and math. Part of the plan is to provide tutoring in these areas that 1) uses established district curriculum and resources as well as 2) teaching and learning tools to accelerate learning. With the programming, a student has access to a no cost after school snack as well as bus transportation.

This letter is to inform you of **your child's current level of need**. Regardless of the cause, we believe that providing ongoing support, through an extended day, can help accelerate learning and close gaps. Everyday attendance is expected with this program. Take a look at your programming information to ensure the program dates work with your family's schedule.

Your child will need the following support through our Learning Academies:

- Reinforcement of grade level **ELA** curriculum and/or high-dosage reading tutoring
- Reinforcement of grade level **math** curriculum and/or high-dosage math tutoring

## Page High School - Credit Recapture After Hours

Dear Senior Parent(s)/Guardian(s):

Page High School is offering an after school programming option as an opportunity for students to make up any failed credits. Students will work to recover credits using the online Edgenuity program with the tutoring support of a certified staff member. Edgenuity credit recovery courses cover only the essential curriculum for the course the student failed. With the programming, a student has access to a no cost after school snack as well as bus transportation.

This letter is to inform you that your **student is off track for 2025 graduation** because he/she is behind on attaining credits. Please make an appointment with your student's counselor to determine graduation progress. Your student is encouraged to register and attend to recover lost credit. Take a look at your programming information to ensure the program dates work with your family's schedule.
