

2025-2026 Virtual School Day Expectations

Dear Parents/Guardians,

Due to school closing for weather or other unexpected circumstances, we will have a Virtual School Day. We, as well as the specialty teachers, Title I, ELL, Reading Interventionist, and Spec Ed, will be available from 7:45 a.m. – 3:45 p.m. for any questions you may have. You can contact your 2nd grade teacher through Seesaw or school email.

On the reverse side of this letter you will find the SECOND GRADE CHOICE CARD. Each child is required to complete and turn in (unless specified differently) 1 activity under each of the subjects. They will have 5 activities to complete and turn in. Each activity should take 10-20 minutes to complete. For the UFLI activities, please refer to the home practice sheet. Your child will be using the new concept & sample words and the new irregular (heart) words from both sides. This will help your child enhance his/her learning from home, since this is being counted as a school day. Once they have completed an activity, have them color it in on their card. Then a parent needs to initial in each completed activity. **Please turn your choice board and completed work to your classroom teacher once you are finished with the 5 activities.** This choice board must be returned to your classroom teacher within 3 school days. We will be using this as our attendance record for the missed snow day.

This will be used for multiple school closings for weather, or other unexpected circumstances. So please keep this throughout the year. After each time it is used, your child's classroom teacher will return it to you in the case we have another school closing.

Please contact your classroom teacher if you have any questions throughout the day. Thank you for your assistance at home with these assignments.

Thank you,

Mr. DiBrito
Mrs. Garry
Mrs. Mitchell
Mrs. Pyan
