WA Kindergarten News...

The kindergarten class is off to a great start of the new year 2022. They have mastered so many new skills since August, and I couldn't be prouder. We will get our first readers this month. Counting and numbers have come easy for the class – writing to 50 (some to 100) and counting by 10's and 5's. They will be telling time by spring break! Also, this month we will celebrate the 100th day of school!
