

November

First Grade
4th-8th

This Week's Brain Boosters

Monday
Share an addition model.

Tuesday
What is something you have learned about the sun?

Wednesday
Can you explain what a map key is used for?

Thursday
Do you have Christmas Songs stuck in your head yet?

Friday
Try to explain to a family member how you would use a number line.

~ Reminders ~

Please make sure Coats are sent with your Firstie EVERY DAY. It is very very cold at recess!

Book Orders- Due 11th- I will send an email with

more details.

~ Events ~

No School Friday-8th- All Staff PD

No School the week of Thanksgiving

IDFY Visits- 12/13

Christmas Concert- December 18th at 6:30- Deary Gym

~ Learning Targets ~

EL Module Content~ Close read of *Summer Sun Risin!* and *Papa Please Get the Moon for Me*. We will focus on looking closely at pictures, looking closely at words, and acting out segments of the story to help recall what occurred at the beginning, middle and end of the stories.

Math~ In our Strategy Groups, we will focus on different models and strategies to help us with addition and subtraction within 20. We will also be playing games to help reinforce these strategies.
