## October

## NEWSLETTER

**From the Desk of the Principal:** Welcome to Jack Daley Primary School! As a collective staff, we wish to express our pleasure in serving the great students and parents in our community. We offer your students a well-planned educational experience by highly qualified teachers. We wish to welcome the new staff members this year. Alexis Glazier and Stacy Morris serving as our new Special Education Preschool and Transitional Kindergarten Teachers. Brittany Gerber as a new Kindergarten Teacher. Melinda Lamoreaux as a new First Grade Teacher. Brandy Roark and Brenda Ayers as new Second Grade Teachers and now serving as our Music/Technology teacher Carly Angle. We also want to express appreciation to the many new instructional aides and inclusion aides. We are excited for these new additions to our staff and believe they will help make a difference in our student's lives. I would like to express to our parents your support is the key to the success of your child. Please develop a relationship with your child's teacher and put your support behind them by keeping open communication with them. Doing this will create a team effort and will help guarantee the success and happiness of your student. Please know that we love your students and will work hard every day to make their learning experience at school one they will love and remember. We are excited for a new school year.

We are EAGLES. Watch us SOAR!

Thanks, Mr. Lin Gifford

### Office Notes:

JDPS is in need of donations for children's clothing sizes 5 to 8. If you have cleaned out your child's closets or drawers and have clothes that they don't need anymore, please bring them to the office. We would really appreciate it!

**Kindergarten....** This year is off to a GREAT start! We have been working on establishing classroom and playground rules, routine, and yes, even walking in a straight line! We will finish our ABC Bootcamp and will begin putting sounds together to make words. We are working on beginning sounds, letter names, and rhyming words as well. In math, we have been focusing on 0-5 and in October we will begin adding and subtracting within 5. We look forward to seeing you at Parent/Teacher conferences Oct. 18th - 19th and sharing your child's successes with you. Kindergarten is such a fun time for your child. Help us to make them independent and successful by discussing their day and reading with them. Thanks for your support! Mrs. Mleynek, Mrs. Gerber, Mrs. Taylor, Mrs. Barney, Mrs. Hatch, and Mrs. Vining

We are **EAGLES**. Watch us **SOAR**.
