Thank you for your interest in the Oracle Elementary School District! Open enrollment is for any student or family living outside the district boundaries who wishes to attend Mountain Vista K-8 School.

Your child and their peers are at the center of each decision we make at Mountain Vista K-8 School. You will find highly dedicated and trained teachers who will inspire your child to achieve success. Because of our supportive community, we now have some of the finest educational facilities in the area and we offer a wide variety of programs to meet the individual academic and extracurricular interests of your child.

In order to provide the greatest opportunities possible, each year we determine how many open enrollment students we can accommodate. In compliance with A.R.S 15-816 and District Policy JFB, open enrollment availability is based on Governing Board approved class sizes for each grade level and program. Students who have applied for open enrollment may be placed on a waiting list if capacity is exceeded.

If you wish for your child to attend Mountain Vista K-8 School for the 2023-2024 school year, please complete the attached Open Enrollment Application Form. You will be notified by the school whether or not your child's application has been accepted, denied, or if their names are on a waiting list.
