

# Here's What's Happening In First Grade!

We can't believe the school year is almost over. Thank you so much for sharing your first graders with us this year. We have enjoyed getting to know and learn with your child. Here's what we have going on for the rest of the year!

## Important Dates-

- May 8: Last day of Targeted Tutoring
- May 15: Elementary Spring Concert 5:30 pm
- May 23: Last Day of School and Early Release

## Homework-

- Homework Logs are due on Tuesdays.

## Things to Know-

- Idaho Reading Indicator: We will have our state reading assessment, the Idaho Reading Indicator (IRI) on Tuesday, May 7th. Please make sure your child is getting plenty of sleep and a good breakfast before school.
- School Drop Off/Pickup: School drop off and pick up is at the front of the building. For safety reasons, please do not drop off/pick up students in the back of the school where the busses are.
- Spring Concert: Please join us for our annual Elementary Spring Music Concert! This will be on Wednesday, May 15 at 5:30 pm in the Troy High School Gymnasium.
- Game of the week: With the weather getting nicer, the kids will finally be able to play on the field since it won't be so muddy! Therefore, we will start teaching one game a week that they can play outside. They do not have to play it, however, our hope is that this will help kids gain skills such as teamwork, sportsmanship, and safety specific to that game. With that being said, it is still a little bit chilly, so please continue to send your child with a jacket just in case!
  - 4/29/24: Soccer
  - 5/6/24: Bump (object to bump others out of the game by scoring a basket before the person in front of them)

## Standards-

### Reading/Writing

1. Compare and contrast informational text
2. Ask and answer questions about informational text
3. Decode and comprehend text with unknown words

### Math

1. Add two digit equations with regrouping
2. Solve word problems containing two numbers within 20.
3. Solve word problems containing three numbers within 20.

### Social Studies

1. Describe holidays and events in the United States and why they are commemorated
2. Compare family life in other parts of the world

As always, please let us know if you have any questions or concerns.
