READ-A-THON Results

CONGRATULATIONS to all of our students and great job with the Read-a-Thon! We are all proud of all the reading you all did, nice work!

We are excited to announce that ALL CLASSES reached their class goal!! Way to go everyone!!

Here are our top two readers from each classroom, these students had the most minutes read in their classroom.

5th/6th Grade: 1st Gabriel W. / 2nd Kaylee P.

3rd/4th Grade: 1st Jazmyn K. / 2nd Grady K.

1st/2nd Grade: 1st Sasha K. / 2nd Sadie F.

Kindergarten: 1st Scarlett G. / 2nd Carly B.

Students who met and/or went above their individual goals are: Travis K., Tyler S., Kaylee P., Wyatt C., Jack B., Gabriel W., KayLynn W., Jazmyn K., Joshua C., Jackson M., Grady K., Maddison J., Ikeer G., Xander H., Jacob S., Lillian S., Sam B., Sadie F., Melissa G., Sasha K., Kaira H., Brendan O., Apollo W., Logan P., Brooklyn M., Lillian V., Amelia K., Scarlett G., Zuriah H. and Carly B.

GOOD JOB!! WAY TO GO!!!

Snack for first recess

Evaline students work hard, and we are noticing some of them are getting hungry during the day making it hard to focus. Making sure to offer a nutritious breakfast each morning will help them start the day right. **We offer snack time during morning recess. Students are encouraged to bring a healthy snack from home. Examples could be: Granola bar, veggies, fruit, cheese stick, jerky, crackers. Please no chips or dessert type foods.**

Earth Day

Evaline students will be celebrating Earth Day on April 22nd! We are requesting donations of the following items:

1. Empty toilet paper/paper towel rolls
2. Newspapers; preferably the comics, sports, and life sections. Please avoid "hard news" sections that could have disturbing topics for elementary aged students.
3. Flower/herb seed packets.
4. Recycled egg cartons, paper plates, pipe cleaners

Kindergarten Screening - May 11th

Evaline is having a birth to 5 year old screening on **May 11th**. Please call and set up a time to have your preschool student screened. There is so much value in this service. We hope your 0 to 5 year old can join us. Please call the office at 360-785-3460 to make your appointment.

Important Dates!!

April

Tues. 19th: Booster Club Meeting, 10:00am-Rib Eye

Tues. 19th: School Board Meeting, 6:30pm

Wed. 27th: Administrative Professionals Day

Fri. 13th: Early Dismissal, 11:30

Tues. 17th: School Board Meeting, 6:30pm

Fri. 27th: Early Dismissal, 11:30

Mon. 30th: No School - Memorial Day

Evaline's "Annual" Dessert Auction New Location for this year!

Saturday, May 7th from 3:00 - 5:00pm
at Hope Grange on Antrim Rd.

Once a year the Booster Club holds its "Dessert" Auction fundraiser. Over the years it's become much more than just a great day to buy sweet treats. It is also an awesome opportunity to bid on an auction item such as a themed basket or a gift certificate from a local business or other great donated items.

Students and parents, this is where you come in. Our Booster club is encouraging each family to bake or provide a dessert for the Auction. (More info on this to come). The Booster club is also looking for additional auction items to include in this year's auction, so if you, or someone you know from the community, has an item to donate, please contact the Booster club directly.

Last, but not least, each classroom will be putting together their own themed gift basket to donate to the auction. These typically are fairly large and pretty cool with lots of fun themed items. We are asking every student to donate an item or two toward their classroom basket related to the theme of their basket. Non-perishable items for these classroom baskets can begin to be brought into the school beginning the week of 4/18/22.

The "Dessert" Auction is a great community event that greatly benefits your students and provides resources toward some of the fun activities they are able to participate in at school. Please do your best to come and join us!! All proceeds go directly to student needs!

Here are the classroom baskets themes:

Kindergarten: Arts themed basket

1st / 2nd: Gardening themed basket

3rd / 4th: Game night themed basket

5th / 6th: Movie night themed basket

Kindergarten

Mrs. Tinnin

I hope everyone had a nice spring break and extra day off. With the nicer weather, we are able to do more activities with science outside. We planted a seed before spring break in a clear cup. Students get to observe their seed and record the results in their observation journal. It's pretty exciting to see the roots as our seeds grow into plants. This week we experimented with Peeps. Students were able to observe Peeps in water, clear pop, and vinegar to see what happened in each liquid. They also put a Peep in a plastic bag with vinegar and baking soda.

This week we are learning about measuring by comparing two objects using shorter than, longer than, or about the same. Students are also having fun with math talks. We play a game 'Which one doesn't belong'.

Next week we will start our animal research projects. Students will learn about an animal, collect information, and present it to the class.

Our class is doing an Art themed basket for the auction. If you have any items you would like to contribute, please send them in by April 29th. I picked Art because everyone in our class loves art.

First and Second Grade Explorers

Mrs. Mittge

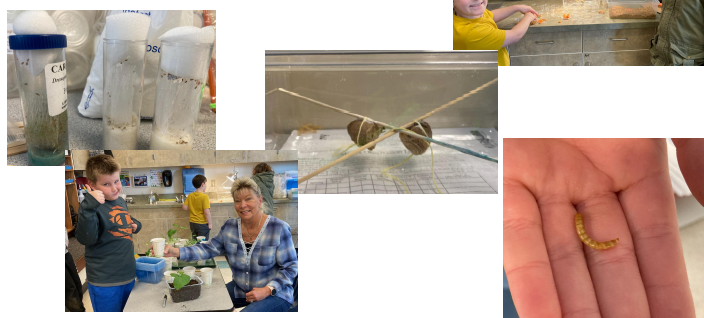

Welcome back, Explorers!

I hope everyone had a lovely spring break. The weather certainly kept us on our toes!

This week I have started incubating our eggs! We will be making thank you cards to Danielle Ford, Kerry Serl, and Elizabeth Mittge for their egg donations. New additions to our classroom also include a colony of mealworms and praying mantids! We are throwing ourselves into life cycles! More fun updates to come!

First and second graders will be putting together a garden-themed basket for the Booster Club auction. If you have any items that you would like to contribute, please send donations to school with your child by April 29th.

Thank you all so much for all of your help and support. It is truly such a privilege to be a part of this learning team!

Third and Fourth Grade Classroom

Mrs. Mars

Welcome back, I hope everyone enjoyed their spring break! We jumped right back into curriculum this week and the students did an amazing job. We will be finishing our math curriculum over the next few weeks and will be going back to review past skills to prep for state testing next month.

Evaline's annual auction is quickly approaching. Our class is putting together a game night basket to donate. Does your family have a favorite game or game night snack? Any and all donations are appreciated!

Our class is also starting on our art project for this year's spring fair. We are in need of shoe boxes, please send in any shoe boxes by Wednesday so we can get our projects started.

Welcome to our class Delaney! We are excited to get to know you.

Fifth and Sixth Grade Classroom

Mr. Burlingame

Hello everyone! I hope you had a great spring break and had a chance to relax and spend some time together as a family. The 6th graders have triumphantly returned from Cispus in one piece and have some fantastic memories to share. They all did a fantastic job up there and learned a lot about survival and the wilderness. As we move forward in the school year we will be focusing on state testing and graduation!

Special Education-Title1/LAP- Social Emotional Learning (SEL): Mrs. Duren

The last three character traits we will be focusing on this spring are Responsibility, Cooperation, and Creativity. One way we work on skills associated with being students of character is through the preparation of, participation in, and clean up from fun activities such as the “Egg” races which occurred Thursday at last recess. We saw some “egg”-ordinary examples of effort and character by many of our students who chose to participate, which was “egg”-actly what we hoped to see.
