

Student Advocate

November Newsletter

Attendance Matters!

School success goes hand in hand with good attendance.

- make school a priority
- being late disrupts the school day
- promptly turn in notes to explain the reason of an absence
- students are allowed five days excused by parent notes
- five or more unexcused absences will result in a truancy letter

Topics this month!

We will learn ways to show gratitude and thankfulness this month. We want to increase happiness and overall well-being!
