

Welcome,

My name is Scott Wolterman. I will be teaching the Structured Learning Center for the 23/24 school year at Hudson Park Elementary.

I graduated with a Bachelors Degree in History in 2008, and a Masters Degree in Special Education from Southern Oregon University in 2009.

I was the Special Education Teacher at Desert View Elementary in the Hermiston School District for 3 years and worked as the Learning Resource Center Teacher at Warrenton Elementary School for 5 years.

Every student can learn given the proper structure and support. I am dedicated to helping each of my students grow academically and emotionally to the highest level that they are able. To help achieve this goal, student's will be provided the expectations and tools to learn in a structured environment. Maximum growth is not possible without the help and support of their families. Working as a team will help our students do their best.

The tentative schedule is below:
