

Canvas Student Login

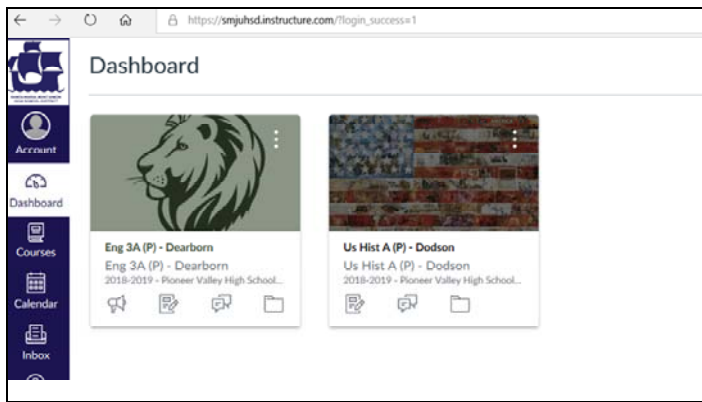

- Start from the school webpage
- Students should see two Canvas buttons.
 - They should choose the “Canvas for Students & Teachers”

- For students not already signed in to their school email, they will get this sign in screen.
 - They need to type in their school email and password (next screen).

- Note: ALL students MUST use their school password (network login id or Wi-Fi password). Their passwords have all been reset to their school passwords <Ab123456>. They are no longer able to change their password for Canvas.

- For students already signed into their school email, they will bypass the sign in page and go directly to their Canvas Dashboard.
