## Weston BAND app

We are no longer using the Remind App. It has been replaced with a similar app called BAND.

*We look forward to working with you and your child this year!*

Lisa Fereria, Principal

- Download the BAND app to your phone or join from a computer. You can access the BAND app from both.
- **Once you have successfully downloaded the app and created an account, scan the QR code to join Weston Elementary Band Group**
- You can navigate the different posts by selecting a label (hashtag) at the top. These are done by grade and event.
- There are also calendar events of what is happening at the school created in the Calendar section of the group.
