

Dietrich School District No. 314

2420

INSTRUCTION

Title I Parent Involvement

NOTE: Schools receiving federal ESEA funds are required to have a parent involvement policy. This policy must be jointly developed with parental input, as required by federal legislation.

The District endorses the parent involvement goals of Title I and encourages the regular participation of parents of Title I eligible children in all aspects of the program. The education of children is viewed as a cooperative effort among the parents, school, and community. In this policy the word “parent” also includes guardians and other family members involved in supervising the child’s schools.

Pursuant to federal law the District will develop jointly with, agree upon with, and distribute to parents of children participating in the Title I program a written parent involvement policy.

At the required annual meeting of Title I parents, parents will have opportunities to participate in the design, development, operation, and evaluation of the program for the next school year. Proposed activities to fulfill the requirements necessary to address the requirements of parental-involvement goals shall be presented.

This meeting shall be used to provide parents with:

1. Information about programs provided under Title I;
2. A description and explanation of the curriculum in use, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet;
3. Opportunities to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children; and
4. The opportunity to bring parent comments, if they are dissatisfied with the school’s Title I program, to the District level.

Title I funding, if sufficient, may be used to facilitate parent attendance at meetings, through payment of transportation and childcare costs.

Opportunities will be provided for the parents to meet with the classroom and Title I teachers to discuss their child’s progress. Parents will also receive guidance as to how they can assist at home in the education of their children.

The school shall develop jointly with parents of children served in the program a “School-Parent Compact” outlining the manner in which parents, school staff, and students share the responsibility for improved student academic achievement in meeting state standards. The “School-Parent Compact” shall:

1. Describe the school’s responsibility to provide high quality curriculum and instruction in a supportive and effective learning environment enabling children in the Title I program to meet the state’s academic achievement standards;
2. Indicate the ways in which each parent will be responsible for supporting their child’s learning, such as monitoring attendance, homework completion, and television watching; volunteering in the classroom; and participating, as appropriate, in decisions related to their child’s education and positive use of extracurricular time; and
3. Address the importance of parent-teacher communication on an ongoing basis with (at a minimum) parent-teacher conferences, frequent reports to parents, and reasonable access to staff.
