

October Newsletter 2025

A Message from Mr. Jamison

What a beautiful September we had here in Boulder: clear skies, crisp mornings and beautiful fall colors starting to come out.

Parents: Please do not park in our designated bus loading zone. It is illegal in Montana to park in a designated bus loading/unloading zone, and you can be ticketed for it. This is the area south of our elementary playground along the north side of West 4th Avenue from the edge of the daycare parking lot to the corner of Monroe Ave and 4th Avenue. Our busses often come back around after the morning drop off to pick up for other school activities.

On Wednesday, October 8th, we are going to participate in National Walk-to-School Day. Students who want to, will gather with some of our high school students and Mr. Moodry, the high school principal, at the Boulder City Park, next to the Boulder City Building on Main Street at 7:45 AM and walk or bicycle to school. This is weather permitting.

On Wednesday, October 15th, we will be participating in the nationwide Great American Shakeout. This is an annual drill to practice the safety procedure in case of an earthquake. At 10:15 AM we will stop, drop and cover. In coastal areas they follow this up with a procedure for a tsunami alert. We will skip this part this year.

In a couple of weeks in October we will be rounding out our fall athletic schedules for football, volleyball and cross country. We are so thankful for our coaches and all the time they invest in our students. When you see your child's coach, thank them for all they do. They are the reason your kids have the opportunities that they do.

Boys' Basketball practice for boys in the 6th, 7th and 8th grades will begin after school on Monday, October 20.

For Halloween, students from Kinder Cubs through the 5th grade will be having activities in the afternoon with their teachers. Costumes will be put on after lunch. Check with your child's teacher if you have questions about the exact activities they will be doing. The junior high students will not be celebrating at school.

No School October 16th & 17th

5th Grade Field Trip October 13th - 15th
